2 COURTRROOM DEPUTY: All rise. The United States  
3 District Court for the Eastern District of New York is now in  
4 session. The Honorable Raymond J. Dearie is now presiding.

5 (Honorable Raymond J. Dearie takes the bench.)

6 COURTRROOM DEPUTY: Calling criminal cause for jury  
7 trial in Docket No. 10-CR-0019, *United States of America*  
8 *against Abid Naseer*.

9 Counsel, please note your appearances for the  
10 record.

11 MS. AHMAD: For the United States of America,  
12 Assistant United States Attorney Zainab Ahmad, Celia Cohen,  
13 and Michael Canty.

14 Good morning, Your Honor.

15 MR. NASEER: James E. Neuman legal advisor for Abid  
16 Naseer.

17 Good morning, Your Honor.

18 THE COURT: Good morning. Have a seat, everyone.

19 (Defendant enters the courtroom at 10:04 a.m.)

20 THE COURT: All right.

21 Good morning, everyone. We're taking advantage of  
22 the delay occasioned by the Long Island Railroad. By the way,  
23 do anticipate a start time of about 10:30. The juror's most  
24 responsible keeping in touch with us.

25 I thought we'd take advantage of the delay and

1 address an issue that's outstanding prompted in part by the  
2 Government's letter to the Court of February 15th regarding  
3 documents that were apparently seized during the raid on the  
4 Bin-Laden compound which they seek to admit. Identified, more  
5 specifically, as -- well, let's have the evidentiary marking  
6 so that we have a precise record of it.

7 MS. AHMAD: Yes, Your Honor. The reference exhibit  
8 are in the 400 series of the government's exhibits.

9 THE COURT: Right.

10 MS. AHMAD: And with respect to just the documents  
11 that are being discussed today and which we refer to the  
12 Bates-stamped copies in our motion.

13 THE COURT: Right.

14 MS. AHMAD: Those are the English translations of  
15 the letters. So they are Government Exhibit 405.

16 THE COURT: Yes.

17 MS. AHMAD: Government Exhibit 421.

18 THE COURT: Yes.

19 MS. AHMAD: Government Exhibit 423.

20 THE COURT: Okay.

21 MS. AHMAD: 424. I am sorry, I meant 423 and then  
22 425.

23 THE COURT: Not four.

24 MS. AHMAD: Not four. Four is the Arabic version of  
25 the letter.

*Colloquy*

720

1 THE COURT: Okay.

2 MS. AHMAD: Then 427, 429, 431 and 433.

3 THE COURT: 431 and 433. All right.

4 And earlier in the proceedings, I asked the general  
5 question of Mr. Naseer who advises that he would be objecting  
6 to the introduction of those documents. So let's put  
7 everything in context.

8 Mr. Naseer, the objection is on what basis?

9 MR. NASEER: Sir, these are documents which we just  
10 called those "Osama Bin-Laden media" which were acquired in  
11 seven sets. All the seven sets, which are English translation  
12 of the letters, all these letters relates to the month of  
13 June, July, August, and November 2010 and May 2011.

14 Now, I object to these documents on the grounds of  
15 hearsay. These documents are confusing and cumulative. In  
16 these documents, there's no specific mention of Manchester or  
17 United Kingdom in 2009 which is the action or activity alleged  
18 against the defendant.

19 Now, the only mention of British identity is the  
20 mention of a British-Algerian operative. There is no mention  
21 of Pakistani or the defendant's name in specifics. I believe  
22 these documents are inflammatory and irrelevant for the  
23 purpose of this trial and the prejudice of these documents  
24 will outweigh the relevance.

25 THE COURT: All right. Let me just ask you more

*Colloquy*

721

1 pointedly. One of your objections is hearsay, meaning what,  
2 the documents themselves contain hearsay?

3 MR. NASEER: Yes, sir, that's correct.

4 THE COURT: Okay. All right. I'll turn that over  
5 to the Government.

6 MS. AHMAD: Your Honor, with respect to Government's  
7 Exhibit 405, that is the document we intend to introduce that  
8 we submit discusses the defendant, his co-conspirators, and  
9 their plan. The Bates number on it is from January 21, 2015,  
10 and it begins at No. 1. That document makes clear, it's  
11 written by Saleh al-Somali as the metadata on the document  
12 makes clear. Saleh al-Somali is known to the cooperators who  
13 testified in this case as Abdul Hafeez.

14 This document is written by Saleh al-Somali on  
15 April 16, 2009, and that is clear from the metadata on this  
16 document. Mr. al-Somali mentions we had sent a number of the  
17 brothers to Britain, and Russia, and Europe to prepared and  
18 ready work before the end of the year. Some of them were with  
19 us before, but they had left and come back to us and traveled  
20 again.

21 It's our contention that that reference is to the  
22 defendant and his co-conspirators, the individuals who had  
23 been sent by al-Qaeda to Britain, then returned to Pakistan  
24 for further training, and were dispatched again.

25 He further references the attack in Britain and

*Colloquy*

722

1 describes it as they are considering a number of targets  
2 depending on what our brothers will determine can be suitable  
3 that can fit the materials they have available.

4 That, again, is corroborated by the e-mails in this  
5 case between the defendant and al-Qaeda where we submit he is  
6 codedly referring to the availability of various explosives  
7 materials as well as the reconnaissance photographs that we're  
8 seeking to introduce which show that the defendant and his  
9 co-conspirators considered a number of potential locations  
10 before settling on the Arndale Center.

11 Finally, as I mentioned this document was written by  
12 Saleh al-Somali on April 16th 2009. Mr. Al-Somali mentions  
13 that the brothers had not faced, meaning the British brothers,  
14 had not faced any security problems except what the news had  
15 broadcast a few days before, before the apprehension of a few  
16 British individuals.

17 It is our contention that this is a reference to the  
18 arrests of the defendant and his co-conspirators in Manchester  
19 on April 8, 2009.

20 This document, we submit, is not hearsay. First and  
21 foremost, because it is a co-conspirator statement. I think  
22 the testimony of the witnesses thus far has established that  
23 Saleh al-Somali is a co-conspirator of the defendant and the  
24 letter is written by him.

25 MR. NASEER: Sir, if I may add to this?

*Colloquy*

723

1           The lines that Ms. Ahmad mentioned, if I'm allowed  
2           to read out, it's a few lines if I can read out for the Court.

3           THE COURT: Go ahead.

4           MR. NASEER: The Exhibit 405, and it's paragraph  
5           number five, I think it says these were Russians hitting the  
6           gasoline of the U.S. Embassy and Britain. Several targets,  
7           the brother determines what suits him with what material he  
8           can get.

9           So this is a reference to a single individual he  
10          says. I repeat this, several targets the brother determines  
11          what suits him in what material he can get. So it's  
12          irrelevant to the conspiracy, first of all.

13          Secondly, as far as we know, the brothers did not  
14          face any security problems other than what was mentioned in  
15          the news a few days ago about the arrest he several  
16          individuals in Britain. We have not ascertained if these have  
17          any connection with us. So the writer of this letter is in  
18          doubt whether it is who individuals who were arrested in 2009  
19          had any connection with the external operation of al-Qaeda.

20          THE COURT: Okay. Your adversary notes that the  
21          statements themselves, going to one of your objections,  
22          namely, hearsay are statements of a co-conspirator in  
23          furtherance of the co-conspirator the objectives of the  
24          conspiracy.

25          On the face of it, it appears that the statements

*Colloquy*

724

1 themselves would qualify as statements of the co-conspirators  
2 and, therefore, be not hearsay by definition. And barring,  
3 assuming, some relevance would be otherwise admissible.

4 What's your reaction to that?

5 MR. NASEER: Sir, can I speak to Mr. Neuman?

6 THE COURT: Go ahead.

7 (A brief pause in the proceedings was held.)

8 MR. NASEER: Now, sir.

9 THE COURT: Bear with me just one second,  
10 Mr. Naseer.

11 (A brief pause in the proceedings was held.)

12 THE COURT: Okay, please.

13 MR. NASEER: Now, sir, the hearsay exception might  
14 apply as the Government mentioned but the point is that if the  
15 document in total is read line by line its relevance is not  
16 proved to the case.

17 Secondly, sir, as the Government mentioned that  
18 British nationals were arrested. The defendant is a Pakistani  
19 national and is very evident from the exhibit that the  
20 Government's provided about this Pakistani nationality and his  
21 student visa.

22 THE COURT: Were any of the others who were arrested  
23 British nationals?

24 MS. AHMAD: Yes, Your Honor.

25 One of the individuals who was arrested was a

*Colloquy*

725

1 British national but I don't see in this document a reference  
2 to British nationals.

3 THE COURT: That's why I've just pulled it out.

4 MS. AHMAD: On 405, in the paragraph that -- the  
5 second paragraph labeled one. It says: We had sent a number  
6 of brothers to Britain and Russia. We have confidence in  
7 them. And these were Russia hitting a gas line near the  
8 U.S. Embassy; or Britain, several targets, the brothers  
9 determines what suits in with what materials we can get.

10 As far as we know, the brothers did not face any  
11 security problems other than what was mentioned on the news a  
12 day few days ago about the arrest of several individuals in  
13 Britain. Again, there is no reference to the citizenship of  
14 the members of the British cell.

15 THE COURT: Is there any other objection other than  
16 to the basis?

17 MR. NASEER: Sir, can we be informed of who's this  
18 letter being sent to?

19 THE COURT: Your guess is as good as mine.

20 MS. AHMAD: Osama Bin-Laden, your Honor.

21 As the Government will establish, the letter was  
22 recovered from a micro SD card that was delivered to a base in  
23 Afghanistan at the same time as Osama Bin-Laden's body along  
24 with other media that makes extensive reference to  
25 Mr. Bin-Laden and the activities of al-Qaeda.

*Colloquy*

726

1 MR. NASEER: So last point, sir, if the British  
2 national she mentioned that one of the individuals who were  
3 arrested in 2009 was a British national. In 2009, on the 22nd  
4 of April, this individual is released from police custody and  
5 no further charges 'till now have been brought against this  
6 British individual.

7 THE COURT: I note that. I'm not entirely sure that  
8 that is germane to our discussion here this morning. I think  
9 what we have here is a the principal objection is, as I  
10 appreciate it or understand it, is one of relevance.

11 A consistent objection you've made along the way,  
12 entirely in keeping with the nature of the defense, that  
13 you've established or attempted to establish with some  
14 success.

15 But the difference, what I'm talking about here, is  
16 admissibility not the weight or significance that one may  
17 attach to a particular document. You may fairly argue certain  
18 a certain interpretation of the document. The Government will  
19 argue its interpretation of the document. The jury will be  
20 called upon to reconcile documents, by the way, to the extent  
21 they find it significant, the more I read these documents, the  
22 less significant I find them although.

23 Although I understand the element of proof that the  
24 Government has identified it's hardly as you said before  
25 inflammatory. They're hardly inflammatory and I don't see a

*Colloquy*

727

1 valid relevance argument here. You may have a fine argument  
2 about the weight, if any, the jury should attach to this. But  
3 it seems to me, on the face of it, it bears relevance for a  
4 number of reasons, not the least of which it is the nature of  
5 the document itself, to whom it was sent, what is discussed.

6 The allusions, whether they are accurate or not, to  
7 activities outside of their area in Europe and elsewhere that  
8 is consistent with some of the testimony we've heard regarding  
9 the scope and focus of the activities of the various cells in  
10 this conspiracy.

11 So I think what we have here is a division between  
12 admissibility and weight and for my view, having read these  
13 documents now a number of times, I certainly don't see a §403  
14 objection at all and I do see the Government's relevance.  
15 Whether the jury accepts it as such is for them as fact finder  
16 to determine and you're at liberty to argue what you've  
17 essentially just argued to me and that is that these documents  
18 have no bearing on the alleged ago at this time the of you and  
19 your colleagues or for that matter Mr. Zazi and his.

20 That's my view of it, and in light of those stated  
21 objections, I overrule the objections and will receive the  
22 documents.

23 We'll resume in ten minutes.

24 MR. NEUMAN: Your Honor, I think Mr. Naseer has a  
25 few other matters that he wants to put on the record before

*Colloquy*

728

1 the jury comes out.

2 THE COURT: Well, let's do that now, sure.

3 MR. NASEER: Sir, for the past few days during the  
4 trial, if Mr. Canty -- I request the Court if Mr. Canty cannot  
5 be allowed to lead or summarize the questions or the answers  
6 for the.

7 THE COURT: I think your point is well taken.  
8 Mr. Canty.

9 MR. CANTY: Yes, Your Honor.

10 THE COURT: You have a tendency, and I understand  
11 why you do it, but I want you to cut it down.

12 MR. CANTY: Yes, Your Honor.

13 THE COURT: Every question does not summarize the  
14 prior three questions and answers, okay?

15 MR. CANTY: Yes, Your Honor.

16 THE COURT: Let's move it long.

17 MR. CANTY: Yes, Your Honor.

18 THE COURT: Point well taken. Go ahead.

19 MR. NASEER: Also, sir, the Government intends to  
20 call Mike Selby who forensically examined the defendant's  
21 phone which is Nokia 6500.

22 Now, if they try to introduce the exhibits or the  
23 media from that phone, I will have an objection to that in  
24 terms of on grounds of completeness because on the exhibit  
25 list the Government has only listed few media files that they

*Colloquy*

729

1 will try to introduce. When they were more than the files  
2 that had been listed on that phone.

3 THE COURT: Well, that doesn't make out a  
4 completeness argument as we have had occasion to discuss  
5 previously. If what they seek to introduce coming from your  
6 phone is in some way distorted, okay, or substantively  
7 incomplete so that it is misleading, then I may agree with  
8 you, okay? But the mere fact that they choose to introduce  
9 some of the material and not others is not a violation of the  
10 Rule of Completeness.

11 MS. AHMAD: Your Honor, the entire phone is in  
12 evidence and the defendant has had a copy of it in discovery  
13 for some time.

14 THE COURT: You mean the entire phone and its  
15 contents.

16 MS. AHMAD: And its contents, they were admitted by  
17 Officer Meats earlier this week and, therefore, the phone is  
18 free to introduce anything from it that he may seek to --

19 THE COURT: Fair enough.

20 MS. AHMAD: The phone is, your Honor, I believe  
21 Exhibit 300.

22 THE COURT: Okay, fair enough, but it doesn't  
23 precisely address Mr. Naseer's complaint or potential  
24 objection. He has the right at the time you introduced  
25 something to introduce other portions of that if they tell the

*Colloquy*

730

1 fuller story and put things in more accurate context.

2 MS. AHMAD: That's true, your Honor.

3 MR. NASEER: Sir, for the last metadata that you  
4 ruled on, sir, the documents which are Osama Bin-Laden media,  
5 sir, one additional point is that all of these documents are  
6 repetitive, sir, to what's been mentioned in these document is  
7 very cumulative in nature.

8 THE COURT: Well, I really don't think so.

9 MR. NASEER: And in terms of inflammatory, sir, it  
10 doesn't include, and these documents don't mention of a nature  
11 of plots or active plots that are happening around the world  
12 which is bound to inflame the feelings of the jury, sir.

13 THE COURT: I couldn't hear the tail end of what you  
14 said, sir.

15 MR. NASEER: Bound to inflame, sir.

16 MS. AHMAD: He says bound to inflame the --

17 THE COURT: Bound to inflame.

18 MS. AHMAD: The passions of the jury.

19 THE COURT: It's hard to, in a case of this sort,  
20 given all we've heard and all we know, it's hard to find  
21 evidence that's going to inflame beyond what is obvious and  
22 beyond what is given. But I -- I must say, having read them,  
23 I just don't agree with you but go ahead.

24 MR. NASEER: Sir, that's it.

25 THE COURT: I don't want to rush you. I'm not

*Colloquy*

731

1 rushing you.

2 MR. NASEER: Nothing further.

3 THE COURT: All right. We do anticipate a 10:30  
4 start. Take a few minutes to relax and I'll be back as soon  
5 as the juror has arrived.

6 (A recess in the proceedings was taken.)

7 (Witness takes the witness stand.)

8 IAN WHITE,

9 called as a witness, having been previously duly  
10 sworn, was examined and testified as follows:

11

12 (A brief pause in the proceedings was held.)

13 THE COURT: Good morning, again, folks.

14 (A brief pause in the proceedings was held.)

15 COURTROOM DEPUTY: All rise.

16 (Jury enters courtroom at 10:32 a.m.)

17 THE COURT: Good morning, ladies and gentlemen,  
18 please be seated.

19 I know one of you deserves a gold star and I  
20 appreciate the efforts notwithstanding our favorite railroad  
21 and I'm glad to have everybody back on this frigid day.

22 Mr. Canty, your witness.

23 MR. CANTY: Thank you, your Honor.

16 Q If I showed you your book, would that refresh your  
17 recollection?

18 A It will say on there which workstation the computer was  
19 taken from.

20 MR. CANTY: Your Honor, may I show Government  
21 Exhibit 3500-ICW-3 to the witness?

22 THE COURT: I?

23 MR. CANTY: ICW-3.

24 THE COURT: Go ahead.

25 (Approaching the witness.)

*I. White - Direct/Mr. Canty*

734

1 (Handing to the witness.)

2 THE WITNESS: (Nodding). ICW-5.

3 Q Yes. Does that refresh your recollection after looking  
4 at that document as to the location that ICW-5 was taken on  
5 April 9, 2009?

6 A Yes, it does. It was Workstation 4.

7 Q Can you indicate that on this document?

8 A (Indicating).

9 MR. CANTY: Your Honor, I ask the record to reflect  
10 that the witness has indicated Workstation 4 on Government  
11 Exhibit 209.

12 Q With respect to Exhibit ICW-6. Do you recall where that  
13 was taken from?

14 A Yes, that one was from Workstation 5.

15 Q Can you indicate Workstation 5?

18 witness has identified Workstation 5.

19 Q What about ICW-8?

20 A Yes, it's from Workstation 7.

21 Q Can you indicate that on this document?

22 A Yes. (Indicating).

23 Q Indicating workstation 7. What about ICW-9?

24 A That's Workstation 8.

25 Q Can you indicate that?

*I. White - Direct/Mr. Canty*

735

1 A (Indicating).

2 Q Let the record reflect that the witness has identified  
3 Workstation 8.

4 And what about I --

5 THE COURT: Just a second. That was for ICW?

6 A Nine.

7 THE COURT: Thank you.

8 Q And ICW-10?

9 A That was from Workstation 10.

10 Q And let the record reflect the witness has identified  
11 Workstation 10 on Government Exhibit 209.

12 MR. CANTY: May I have the overhead projector,  
13 please?

14 COURTROOM DEPUTY: Certainly.

15 MR. CANTY: For the witness only.

16 COURTROOM DEPUTY: Witness only.

17 Q Sir, I'd like you to take a look at Government Exhibit  
18 250, 250.1, and 250.2.

19 Do you recognize what's been marked as Government

21 A Yes, I did, and that was 54 Abercarn Close, in  
22 Manchester.

23 Q That was the location you were asked to go to?

24 A Yes, it was.

25 Q Please describe for the jury what happened when you got

*I. White - Cross/Mr. Naseer*

756

1 to that location.

2 A Okay. It was the 8th of April, 2009. I went to the  
3 address to conduct a search of the property. I entered the  
4 property which had already been secured by the other police  
5 officers. Entered the property, made an assessment and  
6 secured the property overnight. Returned the following day at  
7 9:30 a.m. and commenced a search of the property.

8 Q During your search, did there come a time when you  
9 secured a computer from that location?

10 A Yes, there was.

11 Q Can you briefly describe to the jury what that location  
12 was?

13 A Okay. It was on the ground floor of the property. The  
14 property is a semi-detached house, which it had a ground floor  
15 and upstairs, single bedroom and a bathroom. And the computer  
16 I found was on the floor in the living room of the property.

17 Q I'd like to show you what's been marked as  
18 Government Exhibit 3500-GH-1.

19 MR. CANTY: Could I have this presented just to the  
20 witness? (Exhibit published to the witness.)

21 Excuse me, GH-3.

22 THE COURT: Not one, three?

23 MR. CANTY: Yes, your Honor.

24 THE COURT: All right.

25 BY MR. CANTY:

*I. White - Cross/Mr. Naseer*

757

1 Q Do you recognize Government Exhibit 3500-GH-3?

2 A I have GH-1 on my screen.

3 Q Now -- excuse me, down here, where it says

4 "Government Exhibit."

5 A Okay. Sorry. Yes. Yes.

6 Q And what is that?

7 A (No response.)

8 Q What are we looking at there?

9 A It's the entry I made in the exhibit book at the time I  
10 seized the computer, Exhibit Reference GH-1.

11 Q Did you make this record at or about that time?

12 A It was made at the time I seized the computer.

13 Q And the information that's contained on this document you  
14 put on after the exact time you seized the computer from that  
15 location?

16 A Yes.

17 Q And you're in the business of recordkeeping and  
18 maintaining these types of records when you secure evidence at  
19 a crime scene?

20 A Yes, that is correct.

21 Q I'd like you to take a look at Government Exhibit 460 and  
22 461. (Exhibit published to the witness.)

23 A Yes.

24 Q That's Government Exhibit 460 and that's  
25 Government Exhibit 461?

*I. White - Cross/Mr. Naseer*

**758**

1 A Yes.

2 Q And now I'd like you to look at Government Exhibit 464.

3 (Exhibit published to the witness.)

4 A Yeah.

5 Q 465? (Exhibit published to the witness.)

6 A Yes.

7 Q And 466? (Exhibit published to the witness.)

8 A Yes.

9 Q With respect to Government Exhibits 460, 461 and 464, do  
10 they fairly and accurately depict the computer that you  
11 identify as GH-1 that you secured from 54 Abercarn Close on  
12 April 9th, 2009?

13 A It is, sir, yes.

14 Q And with respect to Government Exhibit 465 and 466, do  
15 they fairly and accurately depict the room and location,  
16 including the computer, where you seized the computer on that  
17 date?

18 A Yes?

19 Q Computer.

20 MR. CANTY: Your Honor, I'd ask that what's been  
21 marked as Government's Exhibit 3500-GH-3, Government Exhibits  
22 460, 461, 464, 465 and 466 be moved into evidence.

23 THE COURT: Is there an objection?

24 MR. NASEER: Yes, sir.

25 THE COURT: To all the exhibits?

*I. White - Cross/Mr. Naseer*

759

1 MR. NASEER: (Confers with Mr. Neuman and  
2 Mr. Canty.)

3 Yes. Objection to the items that were described.

4 THE COURT: We have several items. All items?

5 MR. NASEER: Yes, sir.

6 THE COURT: Overruled. Received.

7 MR. CANTY: May I have it published to the jury?

8 THE COURT: Yes.

9 (Exhibit published to the jury.)

10 BY MR. CANTY:

11 Q Investigator, when you seized the items, did you list a  
12 serial bag or label number on that document?

13 A Yes. That was placed into a plastic exhibits bag which  
14 had a unique reference number.

15 Q And what is that number?

16 A That number is MPSZ08405005.

17 Q And does it indicate who you delivered this item to after  
18 you secured it?

19 A It does. Ninth of April, 2009, 2100 hours to D. C.  
20 Ratcliffe, Manchester Police Headquarters.

21 Q Who is D. C. Ratcliffe?

22 A He was the coordinating exhibits officer for the  
23 operation.

24 Q Was the exhibit properly secured at this location?

25 A It was. It taken by me from the property director to

*I. White - Cross/Mr. Naseer*

760

1 him.

2 Q And with respect to Government Exhibit 465, can you just  
3 describe that to the jury? (Exhibit published.)

4 A That is a photograph of the living room of the property  
5 at 54 Abercarn Drive, and that's the opening photography  
6 completed, actually, which was taken as we entered the  
7 property.

8 Q Do you see the computer in that picture?

9 A Yes, I do.

10 Q Where is it located?

11 A It's on the floor underneath the small computer table.

12 Q In the center of this picture?

13 A Yes.

14 Q Now, looking at Government Exhibit 466, is that just a  
15 close-up of that --

16 A Yes.

17 Q -- tower?

18 A Yes, it is.

19 Q And in fact, is that the physical tower that you secured?

20 A Yes. Yes, it is.

21 MR. CANTY: I have no further questions of this  
22 witness.

23 THE COURT: All right. Mr. Naseer, do you have any  
24 questions?

25 MR. NASEER: Yes, sir.

3 Q Good morning, Mr. Humes.

4 A Good morning.

5 MR. NASEER: Can I show the witness exhibit which is  
6 marked as 460, which is in evidence, please? (Exhibit  
7 published.)

8 BY MR. NASEER:

9 Q Mr. Humes, can you see the item marked as 460 on your  
10 screen? (Exhibit published.)

11 A Yes, I can.

12 Q Can you describe the item for us, please?

13 A It's an HP computer tower.

14 Q Where did you recover this computer from?

15 A That was on the living room floor of 54 Abercarn Drive --  
16 Abercarn Close. I'm sorry.

17 Q Was this item recovered from the defendant's address, 36  
18 Galsworthy Avenue?

19 A No.

20 Q Going over to the exhibit which is marked as 461, please.  
21 (Exhibit published.)

22 Mr. Humes, can you see the item that is marked as

24 described?

25 A Yes.

**G. Humes - Cross/Mr. Naseer**

**762**

1 Q And can we move on to items that are marked as 464,  
2 please? (Exhibit published.)

3 Mr. Humes, can you see the items marked as 464 on  
4 your screen?

5 A I can.

6 Q Is that the same item, but in the tamperproof bag?

7 A Yes.

8 Q Can we go on to the next item, which is marked as 465,

12 A Yes.

13 Q Can you describe the location of this exhibit?

14 A Yes, on the floor in living room, underneath the computer  
15 table.

16 Q And is it the address that is 36 Galsworthy Avenue?

17 A No.

18 Q What is that address?

19 A Fifty-four Abercarn Close.

20 Q Moving on to the last exhibit, which is 466, please.  
21 (Exhibit published.)

22 Mr. Humes, can you see item that is marked as 466 on

24 A Yes.

25 Q Is it the address 36 Galsworthy Avenue?

*G. Humes - Cross/Mr. Naseer*

763

1 A No.

2 Q Okay. Can you tell us the address?

3 A Fifty-four Abercarn Close.

4 MR. NASEER: Thank you, sir. I don't have any  
5 further questions.

6 THE COURT: Anything else, Mr. Canty?

7 MR. CANTY: No thank you, your Honor.

8 THE COURT: Mr. Humes, thank you. You're excused.  
9 Next witness?

10 MR. CANTY: Your Honor, the Government calls  
11 Christopher Webster.

12 Your Honor, may I approach?

2 THE COURT: While we're here -- just one more juror  
3 to get out. It takes five minutes to get them out of here.

4 Going back to our discussion this morning --

5 MS. AHMAD: Yes, your Honor.

6 THE COURT: I certainly don't find these documents  
7 that were seized any more inflammatory than the subject matter  
8 of the case, but are they cumulative? I mean, why do we need  
9 all this stuff?

10 MS. AHMAD: Because, your Honor, the one document  
11 goes to prove the defendant's membership and activities in  
12 furtherance of the conspiracy. The others prove that that  
13 document is an al-Qaeda document addressed to Osama bin Laden.

14 THE COURT: That's what I assumed you would say. If  
15 there's going to be an argument, if that's going to be  
16 challenged in the some way, then it goes to the authenticity  
17 of those documents. But I thought I'd throw it out.

18 You made -- part of your objection is cumulative.  
19 If there's -- unless there's going to be an acknowledgment  
20 that this is what it purports to be, meaning 405, then the  
21 Government's on firm ground trying to establish the legitimacy  
22 of these documents by introducing a series of documents.

23 You don't have to react now. I'm not going to rush  
24 you. But that's my only concern here, just cumulative. It's  
25 nothing, no great shakes, but it's an objection and it's been

1 made, and once we put this whole thing in context, I may have  
2 a different view of it. That's all.

3 MS. AHMAD: No, I understand. If the defendant  
4 wouldn't challenge that that document in issue was recovered  
5 from media associated with Osama bin Laden, we may not need  
6 the others, but I assume that he is going to challenge that.  
7 That's what the others go to prove.

8 THE COURT: I just throw it out there, reflect on  
9 it, Mr. Naseer. Perhaps you can seek your adviser's guidance  
10 on it and we'll come back to it.

11 MR. NASEER: Thank you, sir.

12 THE COURT: Let me know when you ready, Mr. Canty.

5 THE CLERK: I'm sorry, Joe.

6 MR. NEUMAN: I'm sorry. He's still going to be  
7 asking for the 12:30 religious break.

8 THE CLERK: Yes.

9 MR. NEUMAN: I just want to --

10 THE COURT: We're going to give it to him. I won't  
11 forget you.

12 Mr. Canty, where are you going?

13 MR. CANTY: Bringing the witness in, your Honor.

14 THE COURT: All right.

15 (Witness takes the stand.)

16 THE COURT: Good morning, sir. Welcome. Have a  
17 seat. Relax.

18 MS. COHEN: Your Honor, my next witness after this,  
19 I need a little time with the computer, so I'm just going to  
20 step out right now during this witness, if that's okay, so we  
21 don't hold everything up. Thank you.

22 THE COURT: One less lawyer in the courtroom is  
23 probably a good thing.

24 THE CLERK: All rise.

25 (Jury enters.)

*C. Webster - Direct/Mr. Canty*

769

1 THE COURT: Okay. Please be seated, folks.

2 Occasionally, unscheduled breaks tell you  
3 something -- at least they tell me something. I've been doing  
4 it a long time.

5 But we're moving at such a good clip, all right,  
6 that things sometimes get a little off of center and we just  
7 need a minute or two, unscheduled, to get ready for the next  
8 witness and so forth. It's not necessarily a bad thing. I'm  
9 sorry to have kept you waiting. We're ready to resume.

10 If you'll introduce your witness, Mr. Canty.

11 MR. CANTY: Yes. The United States calls  
12 Christopher Webster.

13 (Witness sworn.)

14 THE CLERK: Thank you. Please have a seat and state  
15 and spell your name for the record.

16 THE WITNESS: My name is Christopher Webster. I'm a  
17 Detective Constable 606 of the Cheshire Constabulary, in  
18 England.

19 DIRECT EXAMINATION

20 BY MR. CANTY:

21 Q Good morning, Officer. How long have you been with your  
22 Police Department?

23 A I've been a police officer for 38 years.

24 Q In what capacity?

25 A I've been a detective since 1976. Since 1993, I've been

*C. Webster - Direct/Mr. Canty*

770

1 attached to S013 now S015, Metropolitan Police  
2 Counterterrorism Command.

3 Q And what responsibilities do you have in your role right  
4 now in that unit?

5 A In that role, I have responsibility as an exhibits  
6 officer with the forensic management team, as in task, I will  
7 assist in counterterrorism investigations. I have done so  
8 throughout the United Kingdom, the Middle East and Ireland.

9 Q I'd like to direct your attention to April 4th and --  
10 excuse me, April 8th and April 9th of 2009. Did there come a  
11 time when you were called to conduct a search of a location at  
12 51 Cedar Grove in Manchester?

13 A It was actually 51 Cedar Grove in Liverpool.

14 Q Liverpool, excuse me. My apologies.

15 When you conducted that search, were you aware of  
16 anybody that was residing at that location?

17 A During the course of the search, I found documentation  
18 which indicated that the tenant was Abdul Wafa Khan.

19 Q During your search of the location, can you just describe  
20 to the jury what was the first thing you did?

21 A Initially, the premises had been entered by a firearms  
22 team who had removed four persons from that address.

23 Following that, I went into the address with an  
24 explosive officer, who made a safety assessment of the actual  
25 address. Following that, I started to take forensic evidence

*C. Webster - Direct/Mr. Canty*

771

1 from within the address.

2 Q And directing your attention specifically to April 9th,  
3 2009, did there come a time when you seized evidence from that  
4 location.

5 A I did indeed. Between the dates of the 8th and the 19th  
6 of that month, I continued to take evidence from that  
7 location.

8 Q Okay. I would like to show you what's been marked as  
9 Government Exhibit 3500-CW-3, see if you recognize that.

10 THE CLERK: I'm sorry, Mr. Canty. Is this in  
11 evidence?

12 MR. CANTY: It's not in evidence, for the witness  
13 only, please.

14 THE CLERK: Do you see it, sir?

15 THE WITNESS: There's nothing on the screen.

16 THE CLERK: You said you're using the document  
17 camera?

18 MS. AHMAD: Yes.

19 MR. NEUMAN: 3500-CW-3?

20 MR. CANTY: Yes, may I present it to the witness?

21 THE COURT: Yes.

22 (Paralegal hands exhibit to the witness.)

23 A (Perusing document.) Yeah. This is actually CW-30.

24 BY MR. CANTY:

25 Q Well, the Exhibit Number, please?

*C. Webster - Direct/Mr. Canty*

772

1 A Yeah, that's correct.

2 Q Okay. And does that fairly and accurately depict the  
3 evidence log and the sketches you look at that location?

4 A Yeah. This is a copy of a contemporaneous record I made  
5 when this exhibit was seized.

6 Q And with respect to the exhibit that you see, the  
7 information that you put on that document, you put on the  
8 exact time that the evidence is seized from that location?

9 A That's correct.

10 Q Okay. May I have that back, please?

11 A (Complies.)

12 Q I would like you to take a look at Government Exhibit  
13 150 -- excuse me, 1150, 1151 and 1152.

14 MR. CANTY: May I present those to the witness?

15 THE COURT: Yes, sir.

16 BY MR. CANTY:

17 Q (Handing.) Do you recognize these documents, sir?

18 A (Perusing.) Yes, I do.

19 Q What do you recognize them to be?

20 A I recognize that to be a photographic image of the  
21 computer CW-30, which I seized, on the right.

22 Q And the next picture of the evidence log?

23 A Yeah. That is a current view showing the location where  
24 that computer was recovered on that particular day.

25 Q And the third exhibit?

*C. Webster - Direct/Mr. Canty*

773

1 A That is a close-up shot of the actual same computer.

2 MR. CANTY: May I have that back?

3 THE WITNESS: (Complies.)

4 MR. CANTY: Your Honor, at this time, the Government  
5 would seek to admit 3500-CW-3, Government Exhibits 1150, 1151,  
6 and 1152.

7 THE COURT: All right.

8 Any objection?

9 MR. NASEER: Yes, sir.

10 THE COURT: All right. Overruled. They're received  
11 in evidence.

12 MR. NASEER: Excuse me. We don't have those  
13 exhibits, 1100 series, the ones that were mentioned.

14 THE COURT: Hold on a second. You don't have  
15 something?

16 MR. NASEER: Yes, sir.

17 MR. CANTY: I think this was turned over, Judge, but  
18 I can show it to the defendant. (Handing.)

19 MR. NASEER: (Perusing document with Mr. Neuman.)

20 I still have an objection to the items being  
21 introduced into evidence.

22 THE COURT: You do have an objection?

23 MR. NASEER: Yes, sir.

24 THE COURT: All right. Understood. Objections are  
25 overruled. 3500-CW-3, Government Exhibit 1150, 1151, 1152,

*C. Webster - Direct/Mr. Canty*

774

1 all now in evidence.

2 (Exhibit published to the jury.)

3 BY MR. CANTY:

4 Q What are we looking at here, Officer?

5 A You're looking at a sketch plan that I prepared at the  
6 commencement of the search of that address, and this  
7 particular one is of the ground floor and it shows a bird's  
8 eye view of the ground floor itself, front lounge, rear  
9 lounge, kitchen and the hallway leading to those three rooms.

10 Q Okay. And I think you also did a sketch of the first  
11 floor?

12 A Yes, I did.

13 Q That would be the floor above the ground floor?

14 A That's correct.

15 Q And what are we looking at here? (Exhibit published.)

16 A You can see the first floor of the premises, which  
17 consists of a front bedroom, a second bedroom -- designated  
18 the rear bedroom -- back of the premises, a bathroom, plus the  
19 stairs and hallway, giving access to those three rooms.

20 Q And where was the computer that you seized? Where was  
21 that found?

22 A If you could show the image of the ground floor?

23 Q (Complies.)

24 A You can see the room designated as room three or rear  
25 lounge and you can see a door which is in the top corner of

*C. Webster - Direct/Mr. Canty*

775

1 room three. And where the words "rear lounge" are, you can  
2 see a fireplace.

3 Now, between the door and the fireplace was a sofa  
4 and that is the location where the computer was recovered.

5 Q I have what's been marked as Government Exhibit 1151 in  
6 evidence. (Exhibit published.)

7 Do you see the computer in that image?

8 A I do. It's on the sofa.

9 Q Where is that?

10 A On the sofa, on the left side of the sofa in proximity to  
11 the fire that you can see on the wall.

12 Q And what color is that computer?

13 A Silvery gray color.

14 Q And looking at Government Exhibit 1152, what are we  
15 looking at here? (Exhibit published.)

16 A This is a close-up of the image of the same computer.

17 Q Now, when you took this computer, how did you tag it for  
18 evidence purposes?

19 A Yeah. I placed it in a tamperproof evidence bag which  
20 had a pre-registered seal. You can see the seal number is  
21 D40192281.

22 Q And was that -- after that evidence was properly sealed,  
23 was it delivered to Detective Constable Ratcliffe at the  
24 Manchester City Police Department?

25 A Yeah. It was subsequently delivered later that are day.

*C. Webster - Cross/Mr. Naseer*

776

1 Q Now, with respect to Liverpool, you mentioned that this  
2 was found at 51 Cedar Grove in Liverpool. How close is  
3 Liverpool to Manchester?

4 A It's approximately 26 English miles, your Honor.

5 THE COURT: English miles are very different from --

6 THE WITNESS: They are, I believe, slightly  
7 different than U. S. Miles.

8 THE COURT: Slightly different? All right.

9 BY MR. CANTY:

10 Q All right. A car ride, how long would it take you to get  
11 from one city to the other?

12 A Probably about 40 minutes. It's a heavily-congested area  
13 of the Northwestern United Kingdom, so you're talking about 40  
14 minutes, a good run.

15 MR. CANTY: No further questions, your Honor.

16 THE COURT: All right. Mr. Naseer, when you're  
17 ready.

18 MR. NEUMAN: Can we have the exhibits, please?

19 MR. CANTY: (Complies.)

20 CROSS-EXAMINATION

21 BY MR. NASEER:

22 Q Good morning, Mr. Webster.

23 A Good morning.

24 Q Now, can you describe the address for us that you went in  
25 to secure the exhibits?

*C. Webster - Cross/Mr. Naseer*

777

1 A Yeah. It was a mid-terraced Victorian address, as per  
2 the images on the sketch plan that the Court has already seen.

3 Q And where was that address?

4 A It was situated in Liverpool, Merseyside.

5 Q Is that address 36 Galsworthy Avenue?

6 A I'm sorry. Could you say that again?

7 Q Is that address 36 Galsworthy Avenue?

8 A No, it's Number 51 Cedar Grove, Liverpool.

9 Q And the tenant agreement, who was it registered to?

10 A Mr. Abdul Khan.

11 Q And is it the defendant's name?

12 A Not yours.

13 Q Is that the defendant's name?

14 A It's not your name.

15 Q Now, how many people were arrested from this address in  
16 Liverpool?

17 A I understand four people were arrested immediately before  
18 I searched that address.

19 Q And do you have any knowledge to what happened to those  
20 people after their arrest? Were they ever charged or  
21 convicted?

22 MR. CANTY: Objection.

23 THE COURT: Sustained.

24 MR. NASEER: Now, can I show the witness exhibit  
25 which is marked as 1050? It's in evidence, please -- 1150.

*C. Webster - Cross/Mr. Naseer*

1 (Exhibit published to the jury.)

2 BY MR. NASEER:

3 Q Mr. Webster, can you see the item which is marked as 1150  
4 on the screen? (Exhibit published.)

5 A I can.

6 Q How many laptop computers can you see on this exhibit?

7 A There are two computers, one on the floor and the one  
8 we've already discussed on the sofa.

9 Q So this is the address of 51 Cedar Grove?

10 A That's correct.

11 Q Do you have any knowledge to whether these computers  
12 belonged to the defendant?

13 A I don't have knowledge of that. My role was to search  
14 the address. Subsequent inquiries were undertaken by other  
15 officers.

16 Q And can I show the witness and item which is marked as  
17 1151, please?

18 Mr. Webster, can you see the item marked as 1151 on  
19 your screen? (Exhibit published.)

20 A I can.

21 Q How many computers you can see on this exhibit?

22 A There are two computers, as per the previous image.

23 Q So those are the same computers that were basically shown  
24 to you on the screen?

25 A That is correct.

*C. Webster - Cross/Mr. Naseer*

779

1 Q Can I show the witness item which is marked as 1152,  
2 please? (Exhibit published.)

3 Mr. Webster, can you see item number 1152 on your  
4 screen?

5 A I can.

6 Q Do you have any knowledge to whom this computer belongs  
7 to?

8 A No, I don't know who it belongs to.

9 Q And it was recovered from the address 57 Cedar Grove, in  
10 Liverpool?

11 A Can I correct you? It's 51 Cedar Grove.

12 Q Fifty-one Cedar Grove in Liverpool?

13 A That is correct.

14 MR. NASEER: Thank you. I have no further  
15 questions.

16 THE COURT: All right. Anything else, Mr. Canty?

17 MR. CANTY: No thank you.

18 THE COURT: Thank you, sir. You may step down.

19 Next witness.

20 MR. CANTY: Your Honor, may I recall Investigator  
21 Gary Humes for one question?

22 (Witness resumes the stand.)

23 THE COURT: Mr. Humes, have a seat. You've been  
24 sworn and you remain under oath. You understand that?

25 THE WITNESS: I do, your Honor. Thank you.

*C. Humes - Recross/Mr. Naseer*

780

1 THE COURT: All right. Go ahead, Mr. Canty.

2 REDIRECT EXAMINATION

3 BY MR. CANTY:

4 Q Mr. Humes, Investigator Humes, when you were conducting  
5 your search of 54 Abercarn Close, did you come across any  
6 documents or evidence that suggested an individual who was  
7 residing at that location?

8 A I did, yes.

9 Q What was that?

10 A It was some -- a letter from the Great Manchester Police  
11 to an individual called Zahid Khan.

12 MR. CANTY: Thank you. No further questions.

13 THE COURT: Any questions?

14 MR. NASEER: Just one question.

15 RECROSS-EXAMINATION

16 BY MR. NASEER:

17 Q Mr. Humes, when you were arrived at the address 54  
18 Abercarn Close in Manchester, did you do any explosive swabs  
19 on the property?

20 A No, I did not.

21 MR. NASEER: Thank you, sir.

22 THE COURT: All right. Thank you again, sir.

23 THE WITNESS: Thank you, sir.

24 THE COURT: Next witness?

25 MR. CANTY: No further questions.

*I. Appleton - Direct/Ms. Cohen*

781

1 THE COURT: That's promising, but I don't think you  
2 made it in response to "next witness?"

3 MR. CANTY: Your Honor, the United States calls Ian  
4 Appleton.

5 THE CLERK: Good morning, sir.

6 THE WITNESS: Good morning.

7 THE CLERK: I'm going to ask you, please, to take  
8 the stand and raise your right hand.

9 (Witness sworn.)

10 THE CLERK: Thank you. Please have a seat. State  
11 and spell your name for record.

12 THE WITNESS: My name is Ian Appleton, I-A-N,  
13 A-P-P-L-E-T-O-N.

14 DIRECT EXAMINATION

15 BY MS. COHEN:

16 Q Good morning, Mr. Appleton.

17 A Good morning.

18 Q Are you currently working?

19 A I am not, no. I am retired.

20 Q Before you retired, what did you used to do?

21 A I was a police officer.

22 Q And what kind of police officer were you?

23 A Detective in the Northwest CTU.

24 Q And how long -- you say detective. What kind of work did  
25 you do?

*I. Appleton - Direct/Ms. Cohen*

782

1 A I was a Forensic Computer Investigator.

2 Q And you mentioned CTU. What is that?

3 A That's the Counterterrorism Unit.

4 Q How long were you a Computer Forensic Investigator with  
5 the Counterterrorism Unit?

6 A Nearly ten years.

7 Q Where were you physically located?

8 A We actually moved premises, and it was Force  
9 Headquarters.

10 Q Generally?

11 A In Manchester.

12 Q In Manchester?

13 A Yeah. Sorry.

14 Q And prior to being a Computer Forensic Investigator, what  
15 did you do?

16 A I was a Road Traffic Patrol Officer.

17 Q Can you tell the jury what a Computer Forensic  
18 Investigator does?

19 A Yes. He examines computers and digital media from scenes  
20 of crimes.

21 Q And as a -- examining computers and digital media, what  
22 is your purpose in doing that or --

23 A It's to find evidence for the prosecution, going through  
24 hard drives, pen drives, CDs, DVDs, et cetera, and analyzing  
25 the digital data contained within those devices.

*I. Appleton - Direct/Ms. Cohen*

783

1 Q And you mentioned pen drives. What is a pen drive?

2 A It's a device, a USB device that is a data storage media  
3 that can be plug into a computer or laptop.

4 Q And is a pen drive also known as a thumb drive?

5 A A thumb drive, that is correct.

6 Q This is like the small device that --

7 A That's correct.

8 Q -- is used?

9 A Yes.

10 Q Now, you mentioned that you as a forensic investigator,  
11 search computers and other digital media. How does your --  
12 how do you physically do that?

13 A We have various pieces of software that examine whichever  
14 media we have. It's not like the operating system like  
15 Windows 7 that you know of. It actually examines the data  
16 contained within each sector of the drive, rather than just  
17 files and folders.

18 Q Okay. So just as a lay person, if I was to -- a regular  
19 person was to search a computer and go into the search file, I  
20 would find various folders and things like that?

21 A That's right.

22 Q How is what you do different than that?

23 A Mine actually searches for a keyword in a string of  
24 texts. So if you have a word document and you did a keyword  
25 search, you would probably find that keyword within the

*I. Appleton - Direct/Ms. Cohen*

784

1 document, if it exists, where my software would actually look  
2 at the file in its lowest format, everything that makes up  
3 that file, including metadata and other things. It doesn't  
4 just search for text within the file. It searches at a lower  
5 level, lower level.

6 Q Now, what about computers that have deleted information?  
7 Are you able to find things that have been deleted?

8 A I am, yes.

9 Q And how is that, that you would do that?

10 A Again, it's the same principle. The software is designed  
11 to recover deleted data where it's available and other  
12 things -- but yes, it does recover deleted data.

13 Q Okay. And if something has been deleted, but  
14 overwritten, how does that change things?

15 A Changes things in a number of ways. The deleted data  
16 itself will be irrecoverable if it's been overwritten,  
17 although the file name and the associated times and dates may  
18 still be available.

19 Q Okay. So in other words, you can tell that perhaps it  
20 existed before?

21 A That's correct.

22 Q But you can't recover the actual file, the document?

23 A That's correct, yes.

24 Q But just to make it clear, if it wasn't overwritten,  
25 sometimes you can recover the deleted file?

*I. Appleton - Direct/Ms. Cohen*

785

1 A That's correct.

2 Q All right. Now, turning your attention to April 2009,  
3 were you assigned a new case at that point?

4 A I was.

5 Q And you said you worked in the Counterterrorism Unit.  
6 What types of cases did you typically investigate?

7 A Usually just terrorism cases.

8 Q All right. And this new case you were assigned in April  
9 of 2009, what was that?

10 A That was called "Operation Snowcap."

11 Q What do you mean by "Operation Snowcap"?

12 A Each operations is given a unique name that we can  
13 identify it by.

14 Q So does it have any meaning or it's just something you  
15 label?

16 A No, it's just something that gets labeled.

17 Q And in that investigation, what was your assignment?

18 A My assignment was to look at some of the cyber cafe  
19 computers and a pen driver, which was our Exhibit Reference  
20 SGM342.

21 Q So generally, you were, again, asked to examine computers  
22 and digital media?

23 A That's correct.

24 Q Now, how did you get the media that you were going to  
25 examine?

*I. Appleton - Direct/Ms. Cohen*

786

1 A The digital copies of the original exhibits were placed  
2 on the secure CTU server. I downloaded those files to my  
3 local computer and used the copy to investigate the case with.

4 Q So you basically download everything on your computer --

5 A That's correct.

6 Q -- and you use that to do your searches?

7 A That's correct.

8 Q At that time, how did you know what to look for?

9 A I was given a keyword search list and brief overview of  
10 what we were looking for.

11 Q And were you told or were you aware of who was being  
12 investigated?

13 A I was, yes.

14 Q And were you provided with, in addition to names, you  
15 were provided with photographs and other things?

16 A I was.

17 Q What was purpose of that?

18 A To identify any of the suspects on the media which I was  
19 investigating.

20 Q Now, at that time, were you the only Computer Forensic  
21 Investigator on the case?

22 A No, there were approximately six of us.

23 Q And you mentioned before when I asked you what was your  
24 assignment, it sounded like you were assigned specific media?

25 A That's correct, yes.

*I. Appleton - Direct/Ms. Cohen*

787

1 Q So specifically, how many computers or various electronic  
2 media were you assigned?

3 A I was assigned four computers and one pen drive.

4 Q And those four computers, where were those from?

5 A They were the cyber cafe.

6 Q Where -- do you know where that cyber cafe was located?

7 A Cheetham Hill Road, Manchester.

8 Q And you mentioned -- so in addition to the computer, you  
9 also mentioned you took a pen drive?

10 A I did.

11 Q Where was that pen drive from?

12 A That was from Galsworthy Road, in Manchester.

13 Q Now, and were you aware at the time you received the pen  
14 drive as to whose pen drive that was?

15 A That was, I believe, Abid Naseer's.

16 Q Now, after that, how long did you at that time work --  
17 how long did you work on your examination at that time?

18 A Quite a few months.

19 Q And that was back in 2009?

20 A It was.

21 Q Now, did there come a time when you were asked to review  
22 computers and other electronic media in -- related to this  
23 same investigation?

24 A Yes.

25 Q At a later date?

*I. Appleton - Direct/Ms. Cohen*

788

1 A Yes.

2 Q And when was that?

3 A That was about October last year.

4 Q Was that in preparation for this trial?

5 A It was.

6 Q What at that time were you specifically asked to do?

7 A The CyberNet computers, SGM11, a couple of computers from  
8 Cedar Grove, in Liverpool, and GH-1, I believe, from  
9 Manchester.

10 Q Okay. Well, let's break that down, so everyone knows  
11 what we're talking about. On -- you mentioned SGM. What is  
12 that, SGM?

13 A SGM is an exhibit reference, which is specifically  
14 assigned to the officer who seized the device. In this case,  
15 it was Stephen Murphy.

16 Q So you're referring to the computers by the exhibits they  
17 were on?

18 A The Snowcap exhibits, that's correct.

19 Q Okay. Let's just go through those and assign them our  
20 exhibit numbers, so we're all on the same page.

21 Okay. So I want to -- I'm going to show you what is  
22 already in evidence.

23 THE CLERK: Are you using the podium?

24 MS. COHEN: This is already plugged in, yeah.

25 (Exhibit published.)

*I. Appleton - Direct/Ms. Cohen*

789

1 BY MS. COHEN:

2 Q Okay. Showing you what is already in evidence as  
3 Government Exhibit 19904. Do you recognize this exhibit?

4 A I do, yes.

5 Q What is 19904?

6 A That is the pen drive of Mr. Naseer, SGM342.

7 Q And that is one of the pieces of electronic media you  
8 investigated?

9 A It is.

10 Q And I'm showing you now 19906. Do you recognize this  
11 exhibit? (Exhibit published.)

12 A That is the computer desktop of Mr. Naseer, SGM11.

13 Q SGM11? And we see that down at the bottom of the screen?

14 A That's correct. Yes.

15 Q Before we go to the next one, throughout the course of  
16 your investigation, did you always at this time refer to these  
17 various exhibits by their SGM11, the officer who collected  
18 them?

19 A I did.

20 Q And then going to the next one, which is 250.02. These  
21 photographs are all already in evidence. Do you recognize  
22 this exhibit? (Exhibit published.)

23 A That's a Dell computer from the cyber cafe.

24 Q And how many computers did you review at the cyber  
25 cafe -- from the cyber cafe?

*I. Appleton - Direct/Ms. Cohen*

790

1 A Ten.

2 Q Do you know which numbers you reviewed?

3 A Yeah. ICW, one through ten.

4 Q Now, and this one, is this ICW?

5 A ICW1, I think. Is it?

6 Q Yes, sir. ICW1.

7 A Looks like ICW.

8 Q And this is 251.01. (Exhibit published.)

9 Do you know which computer this is?

10 A ICW2.

11 Q The next, 251.02. (Exhibit published.)

12 Recognize this exhibit?

13 A That is ICW2.

14 Q 252.01 -- are these all the cyber cafe? (Exhibit  
15 published.)

16 A ECW3.

17 Q Okay.

18 MS. COHEN: Yeah. Let's put up the cover sheets.

19 Why don't we, with Your Honor's permission, if we  
20 could just approach the witness and ask whether the exhibits  
21 that we're providing are the ones that he reviewed?

22 THE COURT: Might be quicker.

23 (Documents handed to the witness.)

24 THE WITNESS: (Peruses document.)

25 BY MS. COHEN:

*I. Appleton - Direct/Ms. Cohen*

791

1 Q Detective Appleton, as you're going through these, are  
2 these the internet cafe computer photographs of them that you  
3 examined?

4 A They are, yes.

5 Q And you also examined a computer that was marked as CW30?

6 A I did.

7 Q And what -- do you know where that -- what was that?

8 A I believe that was a Sony Vaio laptop.

9 Q Do you know where that laptop was recovered from?

10 A Cedar Grove, at Liverpool.

11 Q And that's the exhibit that is marked as 1152?

12 A It is.

13 Q And that was formally in your analysis CW30?

14 A It was, yes.

15 Q And finally, did you also examine another pen or thumb  
16 drive in this case?

17 A I did.

18 (Continued on the next page.)

1 EXAMINATION BY

2 MS. COHEN:

3 (Continuing.)

4 Q And what did you know that exhibit as?

5 A AM-3.

6 Q What's that now marked as?

7 A 100.

8 Q 100, yes. I said, "Finally," but I'm sorry, missed one.

9 For AM-3 do you know whose pen try that was?

10 A Tariq Rehman's.

11 Q Now, going to the last one now.

12 Did you also examine a computer that was previously  
13 marked as GH-1?

14 A I did.

15 Q GH-11?

16 A No, GH-1.

17 Q GH-1. Do you see that in your file as well?

18 A I do.

19 Q What exhibit is that?

20 A 460.

21 Q Do you know where that computer was recovered from?

22 A Abercarn Close in Manchester.

23 Q Now, once you see -- you can keep those exhibits up there  
24 for now.

25 Once you received all of those, did you have a copy

*I. Appleton - Direct/Ms. Cohen*

793

1 of all of that electronic media on your computer?

2 A I did.

3 Q And so, when you were searching for things, did you allow  
4 that to search across all of the electronic media?

5 A It did.

6 Q Now, in the course of your investigation, did you collect  
7 a number of documents that you relied on in your analysis?

8 A I did.

9 MS. COHEN: And I'm now going to show the witness  
10 for identification --

11 One moment, your Honor.

12 COURTROOM DEPUTY: Ms. Cohen, will you be using your  
13 document camera at your table?

14 MS. COHEN: I'm not going to use it at all. I'm  
15 just going to be using the computer and it's all set.

16 COURTROOM DEPUTY: All set, okay.

17 (A brief pause in the proceedings was held.)

18 MS. AHMAD: May I approach, your Honor.

19 (Approaching the witness.)

20 (Handing to the witness.)

21 EXAMINATION BY

22 MS. COHEN:

23 (Continuing.)

24 Q I'm showing you a pile of documents, Mr. Appleton,  
25 labeled Government Exhibit 1102.

*I. Appleton - Direct/Ms. Cohen*

794

1 THE COURT: The entire pile?

2 MS. COHEN: The entire pile, your Honor.

3 Q Were these documents, ones that you recovered, from the  
4 media that were just discussed?

5 A They are.

6 Q And, in compiling these documents, what made you take  
7 these documents as opposed to others?

8 A These were items I thought relevant to the case.

9 Q Now --

10 THE COURT: You made that determination based upon  
11 key words and other information provided to you before you did  
12 this?

13 THE WITNESS: That's correct, your Honor, yes.

14 Q Okay.

15 MS. COHEN: Your Honor, at this time the Government  
16 offers Exhibits 1102 into evidence.

17 THE COURT: This is 1102?

18 MS. COHEN: Yes, your Honor.

19 THE COURT: Is there an objection?

20 MS. COHEN: They have, your Honor, these documents  
21 are linked to a flow chart that was provided to the defendant  
22 in evidence.

23 THE COURT: The chart is in evidence?

24 MS. COHEN: No, no. Sorry, it was provided to the  
25 defense in discovery.

*I. Appleton - Direct/Ms. Cohen*

795

1 THE COURT: Fair enough. But my question is: Is  
2 there going to be an objection to this?

3 MS. COHEN: That's why I was just providing that  
4 information.

5 Let me ask one follow-up question that might assist,  
6 your Honor.

7 EXAMINATION BY

8 MS. COHEN:

9 (Continuing.)

10 Q In forming your analysis in this case as a computer  
11 forensic evidence expert are these the document that you  
12 relied upon?

13 A They are.

14 Q Are these documents contained in all the electronic media  
15 we just discussed?

16 A They are.

17 THE COURT: I am not sure I understand.

18 The documents before you now contain all the media  
19 that you reviewed or all of the media that you extracted.

20 THE WITNESS: Yes, the ones I extracted, your Honor,  
21 yes.

22 THE COURT: Okay. All right. Hearing no objection  
23 they're satisfied.

24 (Government's Exhibit 1102 was received in evidence  
25 as of this date.)

*I. Appleton - Direct/Ms. Cohen*

796

1 EXAMINATION BY

2 MS. COHEN:

3 (Continuing.)

4 Q Now, using those documents and in analyzing the computer  
5 did you make a chart summarizing your findings?

6 A I did.

7 Q I'm going to show you for identification what has been  
8 marked as Government Exhibit 1101.

9 THE COURT: Sorry, I didn't hear it. 11?

10 MS. AHMAD: 01.

11 Q Do you recognize that?

12 A I do, yes.

13 Q What is that?

14 A That is the disk containing the sequence of events, the  
15 chart.

16 Q Sorry, just for the record, that's 1101?

17 A It is.

18 Q That's the chart you created?

19 A It is.

20 Q How do you recognize that disk?

21 A It's got my initials.

22 MS. COHEN: Your Honor, at this time, the Government  
23 offers Government Exhibit 1101 into evidence.

24 THE COURT: So the disk is essentially in chart form  
25 reflecting what was the file pile of documents before you?

*I. Appleton - Direct/Ms. Cohen*

797

1 THE WITNESS: That's correct, your Honor, yes.

2 THE COURT: Any objection.

3 MR. NASEER: Yes.

4 THE COURT: There's an objection to 1101?

5 MR. NASEER: That's correct.

6 THE COURT: Well, given the fact that we had no  
7 objection to previous documents, overruled, 1101 in evidence.

8 (Government's Exhibit 1101 was received in evidence  
9 as of this date.)

10 EXAMINATION BY

11 MS. COHEN:

12 (Continuing.)

13 Q Does the chart on this disk, Mr. Appleton, it includes  
14 the documents shown to you in 1101?

15 A It does.

16 Q I'm sorry in 1102?

17 A 1102 it does, yes.

18 Q Now, in creating that chart, did you also review exhibits  
19 from this case that are in evidence concerning the  
20 defendant's e-mail addresses and log-ins?

21 A I did.

22 Q I'm just going to show you what is already in evidence as  
23 Government Exhibit 519 and 520.

24 This is Government Exhibit 519. This is humaonion  
25 and the next, 152, is chipyparveen@yahoo.com.

*I. Appleton - Direct/Ms. Cohen*

798

1 Are these the exhibits you also reviewed?

2 A They are, yes.

3 Q And, after you reviewed those, did you add the log-ins  
4 from both the humaonion and the chipyparveen to your chart?

5 A It the chart, yes.

6 Q Did you add the e-mails received that are indicated on  
7 those charts and sent from those accounts?

8 A I did.

9 Q Now, when you reviewed that, were there times in which  
10 the log-ins you saw on that account, which came from Yahoo,  
11 were there also times you saw that on the computer?

12 A There were, yes.

13 Q And did you indicate when it was actually, when you  
14 actually saw it on the computer?

15 A Yes. The log-ins on the computer correspond with those  
16 presented by Yahoo. They're both on at the same time.

17 Q You indicated when you saw them on computer as well?

18 A Yes, it's on the charts.

19 Q And -- okay.

20 Let's -- now I'm going to show you  
21 Government Exhibit 1101.

22 THE COURT: You have a paper copy of that? 1101?

23 MS. COHEN: I do, your Honor.

24 THE COURT: May I have it? It doesn't seem to be in  
25 my book.

*I. Appleton - Direct/Ms. Cohen*

799

1 MS. COHEN: Your Honor, we marked the paper copy as  
2 1101.01 just to distinguish it and the defendant has been  
3 provided with a copy of the paper as well.

4 THE COURT: All right. Thank you. Meaning, 1101 is  
5 the digital copy?

6 MS. COHEN: Correct, your Honor.

7 THE COURT: 1101.01 is the paper copy of the same  
8 information?

9 MS. COHEN: That's right.

10 EXAMINATION BY

11 MS. COHEN:

12 (Continuing.)

13 Q We're looking now -- oh, not yet.

14 COURTROOM DEPUTY: You're on?

15 MS. COHEN: I'm on, yes. On the computer.

16 COURTROOM DEPUTY: On the computer, okay.

17 MS. AHMAD: What used to be the document camera is  
18 now the computer.

19 COURTROOM DEPUTY: Okay.

20 MS. AHMAD: Sorry.

21 Q All right.

22 So this is Government Exhibit 1101. This is the  
23 chart that you were talking about?

24 A It is.

25 Q Let's just familiarize everyone with the chart itself.

*I. Appleton - Direct/Ms. Cohen*

800

1 First, just at the top, we see something you call  
2 the "Event" on the third column in?

3 A That's correct.

4 Q What did you mean by "Event"?

5 A It's the occurrence. For instance, if a photograph was  
6 taken, or if there was a log-in from Yahoo, on what account.  
7 It's basically an event, an occurrence.

8 Q And then, you have the date listed in the left-hand  
9 column all the way over. It's cut off a little bit, we'll fix  
10 that at the break so I will be able to make that bigger.

11 But just look at the date for the moment here. Are  
12 these dates in -- do you keep year indicates differently  
13 informant U.K.?

14 A It's U.K. format. It's the day first, the month second,  
15 and the year at the end.

16 Q So, to convert this, would be December 4, 2007?

17 A It would.

18 Q And the time. Did you also indicate use military time  
19 here?

20 A Yes, it's a 24-hour clock.

21 Q All right. Now, the fourth column where it says,  
22 "Exhibit." What's that?

23 A That refers to the exhibit assigned by the operations in  
24 all company the U.K. exhibit.

25 Q Which we now converted into what the exhibit is here in

*I. Appleton - Direct/Ms. Cohen*

801

1 this court.

2 A That's right, yes.

3 Q And then, "Location." What did you mean by, "Location"?

4 A That's the location of the exhibit as was known at the  
5 time.

6 Q So ICW, that was one the cyber café computers?

7 A Yes.

8 Q Now, going back to the date for one moment. Was the date  
9 that the event or log-in or photograph or whatever it was, is  
10 that the date that it occurred?

11 A That's correct.

12 Q Now, finally, we see links over on the right. What are  
13 those?

14 A That will allow to you view the file photograph if there  
15 is one and it will also contain file times and dates and the  
16 artifact that was shown on the media.

17 Q Now, you can actually look at the document itself?

18 A Yes, you can view the photograph, absolutely.

19 Q Well, I want to first start with the e-mails that you  
20 looked at in this case. Let's look at the Defendant's e-mail  
21 log-ins. Did you see log-ins on the media for the account  
22 humaonion@yahoo.com?

23 A I did, yes.

24 Q Where did you mainly see those log-ins?

25 A On the cyber café computers.

*I. Appleton - Direct/Ms. Cohen*

802

1 Q Did you see log-ins on the computer for  
2 chipyparveen@yahoo.com?

3 A I did, yes.

4 Q And where did you see the log-ins for chipyparveen?

5 A On the cyber café computers.

6 Q Did you ever see a log-in for chipyparveen at any of the  
7 other computers?

8 A I did not.

9 Q Did you ever see a log-in in for humaonion@yahoo.com on  
10 the defendant's home computer?

11 A I did not, no.

12 Q Did you ever see a log-in for chipyparveen, you said,  
13 none other than the Internet café?

14 A That's correct.

15 Q That you've never seen it on the defendant's home  
16 computer?

17 A That's correct, yes.

18 Q How about another e-mail address that is on here?  
19 abidkhattaki@yahoo?

20 A Yes, I found evidence of that. It's Hotmail, I believe.

21 Q abidkhattaki@hotmail.

22 Could you tell whose mail that was?

23 A Yes, it was Mr. Naseer's.

24 Q Now, where did you see log-ins for the abidkhattaki  
25 account?

*I. Appleton - Direct/Ms. Cohen*

**803**

1 A All of the media I examined on this chart.

2 Q Okay. Did at that include the defendant's home computer?

3 A It did.

4 Q Did it include the computer at Abercarn Close that you  
5 examined?

6 A It did.

7 Q That is GH-1 laptop?

8 A It was.

9 Q Did it include log-ins at the Liverpool address?

10 A It did.

11 Q Is that the CW computer?

12 A Yes.

13 Q How about the internet café computer, did you ever log-in  
14 on that?

15 A I did.

16 Q How about the account samebutdifferent? I believe that  
17 was at -- did you see an e-mail account?

18 A Yes, at Hotmail.com.

19 Q At hotmail.

20 Where did you see did you see samebutdifferent ever  
21 logging in on the defendant's home computer?

22 A Yes, I did.

23 Q What about at the Liverpool address?

24 A Yes.

25 Q Of the CW?

*I. Appleton - Direct/Ms. Cohen*

**804**

1 A It was.

2 Q Did you ever see it logged in at Abercarn Close in the GH  
3 computer?

4 A I did.

5 Q And what about at the Internet café?

6 A Again, yes.

7 Q Did you ever see a log-in for another -- and who, sorry,  
8 abidkhattaki@hotmail, whose address was?

9 A Mr. Naseer.

10 Q Whose address was samebutdifferent?

11 A Mr. Naseer again.

12 Q And how about an address with amfaseasons? Amfaseasons?

13 A Amfaseasons.

14 Q Where was that account? Yahoo, Hotmail?

15 A Yes that was at Hotmail, I believe as well.

16 Q Did you see that account ever logging in on the  
17 defendant's home computer?

18 A I believe I did.

19 Q And could you tell whose account that belonged to?

20 A No.

21 Q Did you ever see that account logging in at the Liverpool  
22 address?

23 A I would have to check, I'm not sure. I think I did.

24 Q Okay.

25 We can look at something to refresh your

*I. Appleton - Direct/Ms. Cohen*

805

1 recollection. We'll go back to that?

2 A Yes.

3 Q What about at the Abercarn Close? The GH computer, the  
4 laptop?

5 A Again, I believe I did.

6 Q Okay. We'll go back and look at that. We'll keep going  
7 for now.

8 Now, on your chart, let's just go to -- how did you  
9 distinguish if you saw a log-in from on the defendant's  
10 humaonion account, if you only saw it from Yahoo records, how  
11 did you indicate that on your chart?

12 A I indicated that with the exhibit reference, GX-519.

13 Q And if there is a log-in at humaonion, let's find an  
14 example.

15 Here, on December 13th, you have an e-mail sent from  
16 humaonion to sana\_pakhtana@yahoo.com at GX-519?

17 A That's correct.

18 Q That's the cyber café you indicated?

19 A It is.

20 Q And does that indicate that you didn't see that actual  
21 e-mail on media?

22 A That's correct, I didn't, no.

23 Q But you saw it in Yahoo's records?

24 A That's correct.

25 Q And then the next entry we see is March, the same day,

*I. Appleton - Direct/Ms. Cohen*

806

1 December 3, 2008 -- see I caught myself, sorry -- at  
2 11:51 a.m. That's approximately 20 minutes after the e-mail  
3 came in and you saw a log-on smebutdifferent. Is that the  
4 samebutdifferent?

5 A No. The samebutdifferent has an A between the S and the  
6 M. That appears to have been an attempted log-in.

7 Q And was that log-in at the --

8 A At the Internet -- the cyber café yes.

9 Q So that's something you saw there?

10 A It is.

11 Q And you have the samebutdifferent is an attempt to log-in  
12 but the person whose account that was who?

13 A The samebutdifferent is Mr. Naseer's.

14 Q Now, in addition to indicating where the accounts logged  
15 in from either where you saw it on the media or where Yahoo  
16 indicated, how did you determine if you didn't see to in the  
17 e-mails how did you determine --

18 MS. COHEN: I'm sorry, withdrawn.

19 Q Do you see the this here December 24, 2008?

20 A Yes.

21 Q Okay. And humaonion logged in to Yahoo. And there, you  
22 indicated that that's you saw that on the exhibit from  
23 Yahoo --

24 A That's correct, yes.

25 Q -- in the records.

*I. Appleton - Direct/Ms. Cohen*

807

1                   And you there it says "U.K. 213.52." Do you see  
2 those numbers?

3       A     I do.

4       Q     Let's go back up here to 11/14/2008. Do you see those  
5 numbers again?

6       A     Yes.

7       Q     What are those?

8       A     Those are IP addresses.

9       Q     What's an IP address? What does IP stand for?

10      A     Internet protocol. They actually represent the physical  
11 address of the computer that's being used.

12      Q     So is that sort of like how you would tie a telephone  
13 number to where it came from, same idea?

14      A     Very similar idea.

15      Q     Were you able to convert those numbers to where actually  
16 the e-mail address was logged in from?

17      A     Just the contrary. It was Pakistan in this case.

18      Q     Where we're looking here --

19      A     That's correct.

20      Q     -- on November 14th.

21                   Now, November 14, 2008, it says humaonion received  
22 e-mail from Yahoo. Is that the first time you saw the  
23 humaonion account referred to in this chart?

24      A     It is.

25      Q     And what does that tell you from that date?

*I. Appleton - Direct/Ms. Cohen*

**808**

1 A That the e-mail from Yahoo is usually an e-mail sent by  
2 Yahoo when the account is first set up, a kind of "Welcome to  
3 Yahoo" type e-mail.

4 Q Does that indicate that this humaonion was set up in  
5 Pakistan on November 14th of 2008?

6 A It does, yes.

7 Q All right.

8 And we see these log-ins here and it says  
9 "Pakistan." Does that indicate the person using, the  
10 defendant using the humaonion account at that time was in  
11 Pakistan?

12 A It does.

13 Q Let's look at -- were there times where you were able to  
14 recover specific e-mails on the media that had previously been  
15 deleted?

16 A There was, yes.

17 Q All right.

18 So let's go to December 14th of 2008. See at  
19 12:18 p.m. it says e-mail received from sana\_pakhtana to  
20 humaonion?

21 A That's correct.

22 Q And you see ICW-2?

23 A That's correct.

24 Q Cyber café?

25 A Yes.

*I. Appleton - Direct/Ms. Cohen*

809

1 Q Does that mean that you saw there was e-mail received on  
2 the media from the Internet café computer?

3 A It does.

4 Q And let's just click on that e-mail. It says,  
5 "Unallocated time and date on e-mail," what does that mean?

6 A That means that the e-mail itself is deleted. The file  
7 name and times and dates, there is no association with the  
8 file; however, the text within it does have the time and date  
9 stamped by Yahoo.

10 Q Okay. All right. Again, we'll fix this technical  
11 problem during the break.

12 A Okay.

13 Q So you were just saying that you could tell from  
14 examining the media that that e-mail had been deleted?

15 A Yes.

16 Q Okay. And you were able to recover it?

17 A That's correct.

18 Q And I guess, based on what we talked about before, is it  
19 is that because it apparently wasn't overwritten?

20 A Yeah. This particular wasn't -- parts of it was but this  
21 portion wasn't.

22 Q And, you know, just so we're clear, when you say  
23 "Overwritten" this was at the Internet café?

24 A Yes.

25 Q So if a user, someone, got on, if this file was deleted

*I. Appleton - Direct/Ms. Cohen*

810

1 and how would it be that it would be overwritten?

2 A Well, the file system, when a file is deleted, the file  
3 system marks it free for use. So if the next user comes along  
4 and downloads a word document the file system count pulled put  
5 that file in the same place that the e-mail used to be.

6 Q Okay. So this is, if you could just read this e-mail to  
7 us?

8 A Yes. It says, "On Sunday the 12th and the 14th, '08,  
9 Sana Khan, sana\_pakhtana@yahoo.com, wrote. From: Sana Khan,  
10 sana\_pakhtana@yahoo.com. Subject: Re: Sohaib here new mail.  
11 To: humaonion humaonion@yahoo.com. Date: Sunday, December  
12 14, 2008, 12:18 p.m."

13 "Salaam. How are you I hope you will find we all  
14 are fine. I'm and family are fine and how is going on your  
15 study nowadays. And the weather is fine here. Nice weather  
16 here. And congratulations E day. You and your family from my  
17 side. My kind of help for us, so please tell me okay hmm.  
18 Tell me that how is your sweetie girlfriend? I miss her a lot  
19 and pay to my Salaam to her. That's all from my side. Pay my  
20 Salaam to all students. Reply me. Take care."

21 Q Is that the first indication or anything that you saw  
22 related to the name Sana on the media?

23 A I believe that to be the case.

24 Q All right. Going to January 20th of 2009, did you  
25 see -- January 20th of 2009 that the chipyparveen logged in to

*I. Appleton - Direct/Ms. Cohen*

811

1 Yahoo and it indicates ICW-2. Does that mean you saw this on  
2 the Cybernet Café?

3 A That's correct, yes.

4 Q And right before that we see log-in and it indicates  
5 GX-520?

6 A It does.

7 Q And that came from Yahoo?

8 A It did.

9 Q Then you saw the log-in your yourself on the computer?

10 A I did.

11 MR. NASEER: Objection.

12 THE COURT: I'll permit it.

13 MR. NASEER: May I have a side bar please.

14 THE COURT: I'm sorry.

15 MR. NASEER: May I have a side bar?

16 THE COURT: We're going to take our break now. So  
17 we'll take about a 10, 12-minute break. That will be our last  
18 break before we conclude for the day at 2:00 o'clock.

19 So, relax, be comfortable, and don't discuss the  
20 case.

21 I'm sorry. Let me do the honors.

22 (Jury exits courtroom at 12:35 p.m.)

23 THE COURT: All right, you can step down, sir, if  
24 you'd like.

25 (Witness leaves the witness stand.)

*Colloquy*

812

1 THE COURT: Mr. Naseer, you had something you wanted  
2 to say.

3 MR. NASEER: Yes. Can we have a brief side bar?  
4 Sir, I jut want to point to the question that --

5 MR. NEUMAN: Is the witness still here? Just wait.

6 THE COURT: All right. Go ahead.

7 MR. NASEER: I want to make a point here the  
8 question Ms. Celia asked from the witness regarding the entry  
9 that was on the 14th of December 2008. And the question that  
10 was asked from the witness was that is that the first entry  
11 that it was seen on the --

12 MS. COHEN: My question was: Was that the first  
13 time you saw the word the name Sana on media?

14 MR. NASEER: And the objection is that this name  
15 Sana does appear on the previous page where it says was the  
16 entry for the 30th of November, 2008.

17 THE COURT: So the witness is mistaken is what  
18 you're saying.

19 MR. NASEER: Yes, sir. He answered yes.

20 THE COURT: Then that's why we have  
21 cross-examination. You'll bring that out when you're  
22 examining.

23 We'll take our break. Resume at -- we're going to  
24 take a 15-minute break for the jury no longer. 15 minutes.

25 (A recess in the proceedings was taken.)

*I. Appleton - Direct/Ms. Cohen*

813

1 (Defendant enters the courtroom at 12:57 p.m.)

2 (A brief pause in the proceedings was held.)

3 COURTROOM DEPUTY: All rise.

4 (Jury enters courtroom at 1:00 p.m.)

5 THE COURT: Please be seated, folks. We have  
6 everybody but the person we need.

7 (Witness takes the witness stand.)

8 THE COURT: All right.

9 EXAMINATION BY

10 MS. COHEN:

11 (Continuing.)

12 Q Mr. Appleton, before the break, we were looking and  
13 speaking about messages that you were able to recover from the  
14 media?

15 A Yes.

16 Q Right.

17 And now, I jut want to turn to a new topic. I want  
18 to talk to you about chats. Can you tell the jury generally  
19 what is a chat with respect to computers and the Internet?

20 A A chat usually is two or more people typing messages to  
21 one another across the Internet on a computer.

22 Q So you can type messages to each other. Is there  
23 something else known as voice chats?

24 A Yes. That's the same thing but using the microphone.

25 Q Are you still using your computer in a voice chat?

*I. Appleton - Direct/Ms. Cohen*

814

1 A Yes.

2 Q I want to turn your attention to September 2008. And I'm  
3 just going to put my cursor here.

4 We see some messages from local user abidkhattaki in  
5 Yahoo chat with local user wahaburqi.

6 A That's correct.

7 Q First of all, what's a legal user name?

8 A The local user is the one set up to the computer. In  
9 this case, ICW-1.

10 Q So that local user would abidkhattaki?

11 A It would.

12 Q And that's the Defendant's e-mail that would indicate he  
13 was at the cyber café?

14 A It would.

15 Q And remote user wahaburqi, that would be mean that that  
16 person was located somewhere else?

17 A That's correct, yes.

18 Q Now, wahaburqi, did you see that name or that is that a  
19 chat I.D.?

20 A That's usually, with Yahoo, it's the user name is usually  
21 the part before "at Yahoo.com." So, yes, in this case I would  
22 say it would be wahaburqi probably at Yahoo.com.

23 Q abidkhattaki. That would have been abidkhattaki@yahoo  
24 would be the e-mail address?

25 A Yes.

*I. Appleton - Direct/Ms. Cohen*

815

1 Q And the same for wahaburqi?

2 A That's correct.

3 Q And you did you see the name wahaburqi throughout the  
4 media?

5 A I did.

6 Q And what about right below that, 9/28. You see  
7 dawertariq?

8 A That's correct, yes.

9 Q And what's that, dawertariq?

10 A Dawertariq, again, is a user name.

11 Q Do you know whose user name that was?

12 A That would be Tariq Rehman.

13 Q And, dawertariq, was that associated with different  
14 e-mails addresses?

15 A It was.

16 Q What were the different e-mail addresses?

17 A dawertariq@yahoo.com and dawertariq@hotmail.com.

18 Q And you said it was that was associated with Tariq  
19 Rehman.

20 A That's correct.

21 Q And, wahaburqi, could you tell from the media who that  
22 was?

23 A I couldn't, no.

24 Q Okay.

25 So let's start with September 28th here, 2008, at

*I. Appleton - Direct/Ms. Cohen*

816

1 1455, sorry, 1459 that's 2:59 p.m.?

2 A That's correct.

3 Q I'm sorry, I'm going to 1503. Pardon me.

4 A Okay.

5 Q 1455, that's 3:55 in the afternoon?

6 A 2:55.

7 Q 2:55, sorry. Remote user abidkhattaki and local user  
8 dawertariq?

9 A That's correct.

10 Q What does that mean?

11 A That means that dawertariq is set to ICW-1 in the cyber  
12 café and the remote user is abidkhattaki somewhere else.

13 Q So we just looked at abidkhattaki as the local user a few  
14 days earlier on September 22nd?

15 A That's correct.

16 Q And now Tariq Rehman is at the cyber café?

17 A He is.

18 Q And defendant with abidkhattaki is somewhere else?

19 A That's correct, yes.

20 Q Now, the next line down is the remote user  
21 hafeez\_20\_2002?

22 A That's correct.

23 Q And the local user dawertariq. What is this indicating?

24 A That indicates that dawertariq, again, is at the cyber  
25 café and the remote user is hafeez\_20\_2002.

*I. Appleton - Direct/Ms. Cohen*

817

1 Q During this time, 1455 to 1503, 2:00 to 3:00 o'clock in  
2 the afternoon, these individuals are all chatting at the same  
3 time?

4 A That's correct.

5 Q And then, going to the next day, on -- following day,  
6 September 29th, this indicates that the remote user  
7 abidkhattaki to the local user wahaburqi. Does that indicate  
8 once again that abidkhattaki is logging in from a remote  
9 place?

10 A It does.

11 Q The local is at Liverpool?

12 A It is correct, yes.

13 Q That means that wahaburqi was in the Liverpool CW?

14 A Yes.

15 Q Do you remember what that address was?

16 A 51 Cedar Grove, I believe.

17 Q Now, going down on this day of September 29th begins at  
18 1456 and goes all the way down to 1530.

19 Can you just generally summarize what's happening on  
20 this day. Maybe it's harder. Is that easier when I  
21 highlight?

22 A Harder.

23 Q Okay. That day from 1456 to -- 2:56 to 3:30 in the  
24 afternoon, can you assume u sup rise what's happening there?

25 A 2:55.

*I. Appleton - Direct/Ms. Cohen*

818

1 Q Yes.

2 A On the 28th.

3 Q No, I'm sorry on 29th?

4 A 2:56, on the 29th, I'm sorry.

5 Q To goes from here down. I'll take it off.

6 A Yes. It would appear that abidkhattaki is the remote  
7 user and he's trying to attract the attention of wahaburqi who  
8 is the local in Liverpool. At the same time, he's also trying  
9 to contact dawertariq at the cyber café.

10 Q So abidkhattaki is remote somewhere?

11 A He is, yes.

12 Q Okay. And wahaburqi is in Liverpool at the Cedar Grove  
13 address?

14 A That's correct.

15 Q And dawertariq, Tariq Rahman, is at the cyber cafe?

16 A He is.

17 Q It indicates there is a voice conference. What does that  
18 mean?

19 A It does. Voice conference is the ability to connect  
20 several people together with a microphone and have a voice  
21 chat or conference as the term suggests.

22 Q Could you tell whether all three of these individuals  
23 were talking at the same time?

24 A Yes. The -- sorry, if you click on the abidkhattaki  
25 going to voice conference with local user dawertariq.

*I. Appleton - Direct/Ms. Cohen*

819

1 Q Yes.

2 A Has also joined the voice conference with local user  
3 wahaburqi. So they appeared to be in a three-way chat.

4 Q And we see chat that the time 1505, or 3:05, is the same  
5 for both?

6 A It is.

7 Q What does that indicate?

8 A It indicates they were all chatting, conversing, at the  
9 same time.

10 Q And just going down, this is September 29th, and I think  
11 we looked at it again, but on -- we see from September 29th,  
12 there's October 14th it says, "Remote user abidkhattaki"?

13 A It does.

14 Q And then the local user is another chat with Tariq  
15 Rahman, dawertariq?

16 A That's correct.

17 Q And, on October 14th, does that mean that dawertariq is  
18 at the Cybernet Café, cyber café?

19 A It does, indeed, yes.

20 Q And then we see October 26th, it says, "Remote user  
21 abidkhattaki and local user dawertariq," is that the same  
22 thing?

23 A It is.

24 Q Again, they're now having a chat with abidkhattaki who is  
25 remote?

*I. Appleton - Direct/Ms. Cohen*

820

1 A That's correct.

2 Q And then, going down to the next day, October 27th, at  
3 1419, it says, "Now here the remote user abidkhattaki, the  
4 defendant, and local user wahaburqi," does that mean that  
5 wahaburqi is the local one there?

6 A It is, yes.

7 Q And was that -- and it's, again, the Cedar Grove,  
8 Liverpool address?

9 A It is, yes.

10 Q Now, on the following day, on October 28th, you see  
11 another chat between abidkhattaki and Tariq Rahman?

12 A That's correct.

13 Q Now, where is Tariq Rahman located at that point?

14 A It's a cyber café.

15 Q It says, "Remote." Is that the same thing, that  
16 abidkhattaki is chatting remotely?

17 A He is, yes.

18 Q Now, okay.

19 And that's the next few messages are chats messages  
20 between them. It says, "Message equals abidkhattaki@yahoo at  
21 1838 on October 28th"?

22 A It does.

23 Q The next one says, "Message: Did you send them?" And  
24 the following one says, "Message: Okay."

25 A That's correct.

*I. Appleton - Direct/Ms. Cohen*

821

1 Q Can you tell us what that is, how do we know whose  
2 message that is?

3 A Yes. The remote user side of the chat is only available,  
4 not the local user. It's just the way Yahoo logs work.

5 Q Sorry. Were you finished. Sorry?

6 A It's just the way that the Yahoo logs everything only one  
7 sided.

8 Q All right.

9 So, in this case, the messages are what the  
10 defendant -- because the abidkhattaki account is sending to  
11 Tariq Rahman?

12 A That's correct.

13 Q He's asking Tariq Rahman, "Did you send them?"

14 A Yes.

15 Q But we don't see what Tariq Rehman's response is?

16 A No.

17 Q Then he says, "Okay." Then, finally, the message, "Got  
18 it, and checking them," is that once again the defendant, his  
19 remote message?

20 A It is, yes.

21 Q And then that you indicate when the chat session ends you  
22 could tell there on October 28th?

23 A That's correct.

24 Q And then the next entry is November 14, 2008.

25 And you did not -- that's something you did not --

*I. Appleton - Direct/Ms. Cohen*

822

1 did you see that on the media?

2 A I did not, no.

3 Q Why is it that you did not see that on the media?

4 A It could be a number of reasons. It could be that the  
5 data has been overwritten. I notice it's from Yahoo  
6 themselves. Again, it's in Pakistan, so unless I've got the  
7 computer from Pakistan then I will never, ever be able to see  
8 it.

9 Q Right. Okay.

10 So it indicates that the log-in at humaonion the  
11 defendant's account would indicate that he was logging in from  
12 Pakistan?

13 A That's correct.

14 Q And we already discussed that it actually indicates here  
15 at November 14th at 9:51 that the humaonion account is set up;  
16 is that right?

17 A That's correct.

18 Q All right.

19 Now, going back to this dawertariq, Tariq Rahman.

20 You indicated at the beginning that you also you  
21 received some media from him the pen drive?

22 A That's correct.

23 Q And did you see a photograph of Tariq Rahman before you  
24 started reviewing the media?

25 A I did.

*I. Appleton - Direct/Ms. Cohen*

823

1 Q And did you find photographs on first let's talk about  
2 the Internet café that were up of Tariq Rahman?

3 A I did.

4 Q Let's look at some of these.

5 How many these dates on the left-hand side you see  
6 these events were all photographs?

7 A They are.

8 Q Is that the date that the photograph was taken, or the  
9 date it was put on the computer?

10 A No, that's the date that the photograph was taken. That  
11 was recorded by the phone it was taken with.

12 Q You couldn't see some the photos. It says it's taken  
13 with a Sony Ericsson and some with Nokia N73?

14 A That's correct, yes.

15 Q How do you know that by looking at this?

16 A There's data embedded within the photographs called Exif  
17 data. This data records the device that was taken with the  
18 time and date whether the flash was fired and numerous other  
19 pieces of information that were of no value to me.

20 Q Okay. I'm going to look at them.

21 We see bunch of these, maybe 20 or so photographs.  
22 Were those all the photographs that you found?

23 A No. They were just the ones I deemed to be relevant.

24 Q You put a selection of the photographs?

25 A I did, yes.

*I. Appleton - Direct/Ms. Cohen*

824

1 Q And before we look at them, going down to May 19th of  
2 2008, it says, e-mail created it hafeez\_20\_2002@yahoo?

3 A It does.

4 Q Is that the same user name that we saw Tariq chatting  
5 with in September 2008 that we just looked at before?

6 A Absolutely, yes.

7 Q And that was when the defendant was corresponding with  
8 Tariq Rahman from a remote access at the same time?

9 A Yes.

10 Q Now, in that e-mail, what did you, what could you tell  
11 from looking at that e-mail from May 19, 2008?

12 A The e-mail address would be entered into the "To" field.  
13 This was no message at all in the e-mail; however, there was  
14 an attachment of a file named "Copyofpicturesone.ra" which is  
15 34 megabytes.

16 Q And were those photos on there were those the photos some  
17 of which you have here on your chart?

18 A They are, yes.

19 Q And how many in total were they?

20 A 61.

21 Q And were all 61 attached to that e-mail?

22 A They were.

23 Q And was the -- could you tell if the e-mail was ever  
24 sent?

25 A It wasn't sent, no. Outlook itself wasn't configured

*I. Appleton - Direct/Ms. Cohen*

825

1 with an e-mail account, so they could never have been sent.

2 Q All right.

3 Can you describe some of the photographs here,  
4 places.

5 How did you know where these photographs were taken?

6 A Local knowledge. I've been to all of those places.

7 Q So those are public places?

8 A They are.

9 Q What type of places, typically, did you see in those  
10 photographs?

11 A Normally, shopping malls and, of course,  
12 Manchester Cathedral which is close to the shopping mall.

13 Q So, specifically, what's the Trafford Center?

14 A That's a huge shopping mall in Manchester.

15 Q What is the Arndale Center which you see here?

16 A That's a smaller shopping mall in the city center of  
17 Manchester.

18 Q Surrounding the Arndale Center, are there locations  
19 surrounding the Arndale Center that also appear on in the  
20 description of these photographs?

21 A There are, yes.

22 Q What are some of those?

23 A Cathedral Gardens, which is just to the back of the  
24 Arndale. And Piccadilly Gardens, which is the other side of  
25 the Arndale.

*I. Appleton - Direct/Ms. Cohen*

826

1 Q So they're areas surrounding the Arndale Center?

2 A They are, yes.

3 Q And is that in the very center of Manchester or?

4 A Yes. It's right in the city center.

5 Q Let's take a few looks at these.

6 I'm going to show you the photos taken at Piccadilly  
7 Gardens.

8 Who is that?

9 A That's Tariq Rahman.

10 Q And this was Piccadilly Gardens right around the  
11 Arndale Center?

12 A Yes. The Arndale Center is probably, I would say, 500,  
13 600 yards.

14 Q This indicates the Trafford Center?

15 A It does.

16 Q Who was this again?

17 A That's Tariq Rahman.

18 Q That's the large shopping center you were talking about?

19 A It is, yes.

20 Q Where is the Trafford Center located in with respect to  
21 the Arndale Center?

22 A That's quite a few miles away in Trafford.

23 Q That's a different city?

24 A It's still Manchester but it is quite probably five,  
25 six miles away.

*I. Appleton - Direct/Ms. Cohen*

827

1 Q Now, in terms of the date, this is taken on January 2,  
2 2008, and here is another one taken January 2nd of 2008.

3 Where is this location?

4 A That's the Trafford Center, also.

5 Q Is that also Tariq Rahman?

6 A It is.

7 Q Did you see that Tariq Rahman was in all of the photos or  
8 just some of them?

9 A He was in all of them.

10 Q Okay.

11 Now, you had mentioned the Cathedral Gardens. Let's  
12 take a look at that.

13 Who is that again?

14 A It's Tariq Rahman.

15 Q And these are -- you had mentioned the Cathedral Gardens  
16 that was that's close to Arndale Center?

17 A It is, yes.

18 Q That's what you were referring to?

19 A Yes.

20 Q Okay.

21 This is now May 24, 2008, that was. And if you go  
22 down, one, two, three, four, five, six. There were six  
23 photographs on April 24th of 2008?

24 A That's correct.

25 Q All right.

*I. Appleton - Direct/Ms. Cohen*

828

1           And so, let's just take a look at those. Is this  
2 the same area the last one?

3     A     It is, yes.

4     Q     That was, again, Tariq Rahman.

5           And this is just another angle of the  
6 Cathedral Gardens?

7     A     It is.

8     Q     Again with Tariq Rahman?

9     A     It is you can see the Ferris wheel at the back.

10    Q     Is that the Ferris wheel right next to --

11    A     The Arndale Center.

12    Q     The Arndale Center, okay.

13    A     Yes.

14    Q     Let's back up here.

15    A     Yes.

16    Q     The Arndale Center is right back here?

17    A     It's right at the side of that Ferris wheel.

18    Q     Now, the next one is that same date but it says, "Photo  
19 of Manchester Cathedral."

20    A     That's correct.

21    Q     And is this Tariq Rahman?

22    A     It is.

23    Q     Where in respect to the cathedral is the Arndale Center?  
24 In other words, is it to the left of the photograph or to the  
25 right?

*I. Appleton - Direct/Ms. Cohen*

829

1 A It's to the left over the top of the cathedral.

2 Q How long would it take to you get to the Arndale Center  
3 from there?

4 A A few minutes.

5 Q Let's go down to the Arndale Center, May 6th. What is  
6 this that we're looking at?

7 A That is the Next department store which also serves as an  
8 entrance to the Arndale Center. You can actually get in to  
9 the Arndale by going straight through the store.

10 Q Is that Tariq Rehman in this photograph?

11 A Yes.

12 Q What's Next?

13 A It's a clothes shop. Sells all sorts, really,  
14 predominantly clothes.

15 Q Is it a chain store or is it unique?

16 A No, it's a chain store.

17 Q Is it a big chain store in England?

18 A Absolutely, yes. It's all over the country.

19 Q And then where is that one taken?

20 A That's inside the Arndale.

21 Q And let's look at and these are all on May 6th, right?

22 A That's correct, yes.

23 Q What do we see in this next photograph?

24 A This is Market Street that runs along side of the  
25 Arndale Center. The entrance and exit is behind the

*I. Appleton - Direct/Ms. Cohen*

830

1 photographer in this case.

2 Q The entrance to the Arndale?

3 A That's correct, yes.

4 Q So this is another store on the other side?

5 A Yes, JJB Sports.

6 Q And who is that in the photograph?

7 A That's Tariq Rehman.

8 Q And what kind of store is JJB?

9 A It's a sports shop.

10 Q All right.

11 Let's look at another one of these again the same  
12 day.

13 What's that, Primark?

14 A Primark. That's another large department store U.K.  
15 wide.

16 Q Is that a chain?

17 A Yes, it's a chain, yes.

18 Q And, again, Tariq Rehman standing in front of it?

19 A It is, yes.

20 Q Let's just look at the same day now.

21 Those were all of the Arndale the same day, same day  
22 for Piccadilly Gardens. Where is that?

23 A That's Piccadilly Gardens in Manchester City Center.

24 Q Where is that in relation to the Arndale Center?

25 A Again, it's about probably 500 yards away.

*I. Appleton - Direct/Ms. Cohen*

831

1 Q And then we see there's one, two, three, four, five of  
2 these gardens.

3 Are these all of Tariq Rehman?

4 A They are, yes.

5 Q All right.

6 And the photographs that we looked at as well as the  
7 rest of the photographs that you described before those were  
8 all part in an e-mail to that e-mail address "Hafeez"?

9 A They were all put in an archive file, "rafiwina."

10 Q All right.

11 Now, that was in, let's see, we looked at some that  
12 were in -- it was all in 2008. Spring -- December, January,  
13 and most of the rest were in April and May of 2008?

14 A That's correct.

15 Q So let's go down to some more photographs it looks like  
16 you found.

17 And the date on these this is August 20, 2008. So I  
18 will just highlight for a moment you could see where I am  
19 here?

20 A Yes.

21 Q And went a little bit too far.

22 On August 20th, and then at the bottom, I think we  
23 see August 29th and just the last four photographs?

24 A That's correct.

25 Q That date, is that the date when these photographs are

*I. Appleton - Direct/Ms. Cohen*

832

1 taken or when they were loaded on?

2 A No, that's the date that the photographs were taken.

3 Q And where was it that you found these particular  
4 photographs?

5 A On Tariq Rehman's pen drive, AM-3.

6 Q All right.

7 Now, these all indicate that they are at the  
8 Arndale Center?

9 A That's correct.

10 Q So we just looked at some of those before. On that  
11 pen --

12 A That's right.

13 Q On that pen drive, were these the extent of the  
14 photographs or were there more?

15 A There were more.

16 Q How many more were there?

17 A In the hundreds.

18 Q All right. So let's take a look at some of these  
19 photographs.

20 Is this, looks inside. Where is this inside of?

21 A In the Arndale Center.

22 Q Is that Tariq Rehman?

23 A It is.

24 Q And do you know who this is?

25 A I have no idea.

*I. Appleton - Direct/Ms. Cohen*

833

1 Q Is this the same location?

2 A It is the same location, yes.

3 Q So, again, inside the Arndale Center?

4 A It is, yes.

5 Q What about this one?

6 A Yes, that's the Arndale Center with Tariq Rehman.

7 Q And this?

8 A Same location but unknown male.

9 Q Did you compare whether this is, in fact, the they look  
10 like the same individual in the other photograph?

11 A It does, yes.

12 Q And is that the same one that's before?

13 A It is.

14 Q A close-up of this other individual?

15 A It is.

16 Q Now, are we looking at the same view from inside the  
17 Arndale Center here?

18 A Certainly, the last four that you've just shown, yes, by  
19 the escalator.

20 Q And this is, again, Tariq Rehman?

21 A It is.

22 Q Is this the second floor of the Arndale Center?

23 A It is, yes.

24 Q How many floors are there in the Arndale Center?

25 A Just the two. The ground floor and the first floor.

*I. Appleton - Direct/Ms. Cohen*

834

1 Q And this is, this same photograph of that individual?

2 A It is.

3 Q Again, is this another view of the inside of the  
4 Arndale Center?

5 A It is.

6 Q And it's the Arndale in the background?

7 A That's right. That's correct.

8 Q That's that same other individual?

9 A Yes.

10 Q And it's back to Tariq Rehman?

11 A It is.

12 Q Okay. Is this still in the Arndale Center?

13 A It is, yes.

14 Q Again, another view. I think this is the first floor the  
15 Arndale Center?

16 A It is yes. And again.

17 Q Okay. Again, the Arndale Center. Is this the same other  
18 individual?

19 A It is yes.

20 Q Another photograph?

21 A Yes.

22 Q And the rest of these, I think, this is the last 12, more  
23 in 2008. And the background you can see that escalator you  
24 were talking about before?

25 A Yes, indeed.

*I. Appleton - Direct/Ms. Cohen*

835

1 Q And then, finally, on 2008 this is the last one also of  
2 Tariq Rehman?

3 A It is.

4 Q All right. Now, lets look at the last four.

5 So then, on August 28th, there were four more  
6 photographs you indicate they were taken in Arndale Center.  
7 This is Tariq Rehman.

8 What's the difference in this photograph that we are  
9 looking at here?

10 A It's Tariq Rehman in different clothing.

11 Q The same area?

12 A Same area, yes, it is. The Arndale Center again. And  
13 again.

14 Q Still inside. Is this a different location before we  
15 look --

16 A It is a different location than the previous ones, yes.

17 Q Most of them had centered around the center of it?

18 A Yes.

19 Q Where the stairs are and the escalator?

20 A The escalator, yes.

21 Q And there, this looks like sort of a restaurant that is  
22 within the Arndale Center?

23 A Yes.

24 Q Are there lots of restaurants in the Arndale Center?

25 A There are quite a few, yes.

*I. Appleton - Direct/Ms. Cohen*

836

1 Q And the last one same location?

2 A Same location.

3 Q Again Tariq Rehman?

4 A That's correct.

5 Q Okay.

6 Now, so, in April, just looking at this. From your  
7 review in April of 2008 back up here, April and May, and in  
8 August of 2008 those were all Tariq Rehman in the  
9 Arndale Center?

10 A They were, yes.

11 Q Although, the earlier ones had a few other areas around  
12 the Arndale Center?

13 A They did as well.

14 Q As well as the Trafford Center?

15 A That's correct.

16 Q And, just to be clear, all those photographs are taken on  
17 August 20th, nine days later. That was the same location that  
18 they had been taken?

19 A That's correct, yes.

20 Q Now moving on to -- going back to the defendant's home  
21 computer.

22 One of the things that you analyzed, did you ever  
23 see the defendant and his home computer logging on to the  
24 Internet?

25 A I did.

*I. Appleton - Direct/Ms. Cohen*

837

1 Q You just see it a few times. Did you see to a lot?

2 A It was quite a bit, yes.

3 Q And did you see him go to websites qiran.com?

4 A I did.

5 Q Did you see whether he had contact lists people he would  
6 contact through e-mail?

7 A Yes.

8 Q And did he have both men's women's names/contact lists?

9 A Names, yes.

10 THE COURT: Both men and women's names?

11 THE WITNESS: That's correct, your Honor, yes.

12 Q All right. I'm going to show you for identification --

13 MS. COHEN: I am going to publish this for the  
14 witness Government Exhibit 1103.

15 Q Do you recognize this exhibit, Mr. Appleton?

16 A I do.

17 Q What is this exhibit?

18 A This is the contact, Live contact details, of the varying  
19 e-mail addresses.

20 Q And e-mail addresses associated with what?

21 A With Mr. Naseer.

22 Q And these were all where were these found originally?

23 A Originally, on SGM-11.

24 Q That's on his home computer?

25 A Yes.

*I. Appleton - Direct/Ms. Cohen*

838

1 Q And is this a chart that was created?

2 A There is.

3 Q This chart?

4 A This is the chart, yes, that's correct.

5 Q And these were, just to make it clear, under each of the  
6 defendant's e-mail addresses what did you put?

7 A The contacts of each e-mail address.

8 MS. COHEN: Okay. And, your Honor, at this time,  
9 the Government offers Government Exhibit 1103 into evidence.

10 THE COURT: I'm just not sure I understand it.

11 You have, for the better part a list.

12 On Page 1 of 1103, you have four columns, fair to  
13 say?

14 THE WITNESS: That's correct, your Honor.

15 THE COURT: Each headed by what appears to be a  
16 e-mail address?

17 THE WITNESS: On the top.

18 THE COURT: I'm sorry.

19 THE WITNESS: The e-mail address at the top is the  
20 user account.

21 THE COURT: What's listed below it is the contact  
22 that this e-mail address made during a specified period?

23 THE WITNESS: That's correct, your Honor.

24 THE COURT: Any objection to 1103?

25 MR. NASEER: Objection, sir. Can I have a side bar,

*I. Appleton - Direct/Ms. Cohen*

839

1 please?

2 THE COURT: Sure.

3 jury.)

4 THE COURT: Yes, sir.

5 MR. NASEER: The Government, in the exhibit, had  
6 listed 73 e-mail addresses for the defendant which is.

7 THE COURT: Yes.

8 MR. NASEER: And, in the prior statement, there were  
9 9-E-mail addresses. That's the first objection.

10 The second objection is that for the first four they  
11 have listed, the contact list, but for the three and the two  
12 other e-mail addresses are missing. They are not listed in  
13 the contact list.

14 THE COURT: So there are 2-E-mail addresses missing?

15 MR. NASEER: Missing. And for five of them their  
16 contact list is missing.

17 MS. COHEN: He can obviously cross-examine on that.  
18 These are the e-mail addresses, the contact lists, that the --  
19 just to be clear, this is a continuation of the contact list  
20 on that this is everything that was found on the media he can  
21 creek.

22 THE COURT: It doesn't make it inadmissible. You  
23 can cross-examine him about that.

24 You think it's incomplete.

25 MR. NASEER: Yes. 2-E-mail addresses are missing.

*Side Bar*

**841**

1 Well asked a signed statement about the 9-E-mails addresses  
2 there are seven listed here the defendant had 9-E-mail  
3 addresses.

4 MS. COHEN: And that's in evidence. This is what  
5 this --

6 THE COURT: Found.

7 MS. COHEN: -- computer forensic expert -- he didn't  
8 find any traces of those e-mails but he did certainly  
9 cross-examine him on that.

10 THE COURT: I don't see you have a point. You can  
11 make it with the witness as you undoubtedly will but it  
12 doesn't render it in any way inadmissible.

13 Okay. Overruled.

2 THE COURT: 1103 is now in evidence of the.

3 (Government's Exhibit 1103 was received in evidence

5 MS. COHEN: If I could justify publish this exhibit

9 EXAMINATION BY

10 MS. COHEN:

11 (Continuing.)

12 Q Can he we zoom in on the first.

13 Actually, before you zoom, sorry, let's just orient  
14 ourselves with what this is.

15 Mr. Appleton, at the top, we see several e-mail  
16 addresses.

17 A That's correct, yes.

18 Q Were these e-mail addresses -- how did you get these?  
19 Where were they located?

20 A These are from the Windows Live Messenger contacts list.

21 Q But these various e-mails at the top?

22 A Yes.

23 Q Were you given e-mail addresses that were associated with  
24 the defendant to do your search?

25 A Partly. Others we found as we went along.

*I. Appleton - Direct/Ms. Cohen*

**843**

1 Q And did you -- these e-mail addresses who did they belong  
2 to?

3 A Mr. Naseer.

4 Q And did you find are these the e-mail addresses that you  
5 found on the media?

6 A It is, yes, that's correct.

7 Q Okay.

8 THE COURT: Just to make clear. These e-mail  
9 addresses, you're talking about the top row that runs across  
10 the top.

11 MS. COHEN: Yes, let me clear for record. Thank  
12 you, your Honor.

13 Q Let's just read the e-mails so that we know what talking  
14 about.

15 Did you create a column for each e-mail?

16 A I did.

17 Q We see colors at the top. Each color represents a  
18 different e-mail address?

19 A It does, yes.

20 Q All right.

21 So the first one, oh, right. And you looked for  
22 this. You had indicated this before, and I think I just  
23 misspoke, you said that you found Live Media contacts on the  
24 defendant's home computer?

25 A That's correct.

*I. Appleton - Direct/Ms. Cohen*

**844**

1 Q So does this these contacts are they from across the  
2 media or only the defendant's home computer?

3 A The hotmail.com addresses are from the defendant's home  
4 computer. And the Yahoo ones are across the media.

5 Q So taking the first one, samebutdifferent, you can move  
6 it over in blue, that's the samebutdifferent@hotmail.com  
7 account?

8 A That's correct, yes.

9 Q And we've just basically -- was that -- that column of  
10 contacts, is that long?

11 A It is.

12 Q So it went on to three different pages?

13 A Yes.

14 Q All right.

15 So what wave done for ease of reference is we just  
16 put the first column is from the first page; the second column  
17 is from the second page; and the third column is from the  
18 third page.

19 Are these on all the contacts associated with  
20 samebutdifferent@hotmail.com?

21 A That's correct.

22 Q What are -- you have certain contacts that are in green  
23 below it. What does that represent?

24 A That references another e-mail account of Mr. Naseer.

25 Q All right.

*I. Appleton - Direct/Ms. Cohen*

845

1           And then you see one that looks like it's bolded  
2     babyicecreat@live.co.uk?

3     A     Yes. That one appears, a different contacts labor.

4     Q     Okay.

5           So let's look at take those pictures off. So I mean  
6     the most contacts you see are on samebutdifferent?

7     A     That's correct, yes.

8     Q     So now let's look at the abidkhattaki2002@hotmail.com.  
9     That was another of the defendant's account that we've already  
10    looked at today?

11    A     That's correct.

12    Q     That's the one he was using to chat?

13    A     It was.

14    Q     And, actually, that one has Abid as the first name in it?

15    A     It does, yes.

16    Q     Okay.

17           Now, those chats only go to -- that's the extent of  
18    the, sorry, the chats, the Live contact list, for that e-mail?

19    A     That's correct.

20    Q     So it's much shorter.

21           And, again, you have highlighted samebutdifferent  
22    but that just references his other account?

23    A     It does.

24    Q     Does at that mean because the accounts are linked why  
25    would his own e-mail account show up?

*I. Appleton - Direct/Ms. Cohen*

846

1 A You can link accounts, yes. But you could also send  
2 yourself a message, pick it up at a later date, and then  
3 accept the message and add it to your contacts list as well.

4 Q When do you usually add someone to a -- you could do that  
5 for both chats and e-mail or is that different?

6 A No. The chat program is what creates the Windows  
7 contacts list.

8 Q All right.

9 Under the next e-mail address,  
10 popinjay@hotmail.co.uk?

11 A That's correct.

12 Q You see only one contact with babyicecream@live.co.uk is  
13 that what you were referring under samebutdifferent?

14 A That's correct in bold.

15 Q So they had that the only?

16 A Yes.

17 Q The only contact that popinjay had, is that one that's  
18 the same that was under samebutdifferent?

19 A Yes, they are both in common.

20 Q All right.

21 Then, in the next column, humaonion@yahoo.com has  
22 six contacts. And these do not -- I notice they don't have  
23 the at symbol?

24 A No, these are -- Yahoo works differently to Windows  
25 Messenger. This is a buddy list. But it doesn't populate it

*I. Appleton - Direct/Ms. Cohen*

**847**

1 the same as the Windows Live Messenger does. So you only get  
2 the user name.

3 Q And where did you see these? Did you see any  
4 correspondence from humaonion with any of these?

5 A I did, yes. nabeelalahore.

6 Q Was that an e-mail?

7 A Yes, I believe it was an e-mail.

8 Q And how many times?

9 A Just the once.

10 Q And was that -- do you recall, and I can take you back to  
11 your other chart if you need to refresh your recollection,  
12 whether that -- where the just one moment, I'll give it to  
13 you:

14 Do you recall where the humaonion sent that e-mail  
15 from?

16 A From the cyber café computer.

17 Q Let me just show you what is in evidence just to, I think  
18 it would be easier.

19 Then we go if you just walk this up as  
20 Government Exhibit 1102.

21 Just go over a bit further if you can see the date?

22 A I'm mean, it's in Pakistan.

23 Q humaonion, nabeelalahore@yahoo are from Pakistan?

24 A That's correct, yes.

25 Q Did you ever see an e-mail between humaonion and

*I. Appleton - Direct/Ms. Cohen*

848

1 nabeelalahore on the media?

2 A No.

3 Q Did you ever, going back to the friend list, did you ever  
4 see any of those contacts, any correspondence, with any of  
5 these contacts at the humaonion account?

6 A I did not, no.

7 Q All right.

8 Now, going to the next column. chipyparveen, did  
9 you see any contacts for that?

10 A No. I found none whatsoever.

11 Q All right. And how about the next  
12 1-A-m-f-s-e-a -- amfaseasons?

13 A I found none for that.

14 Q And finally there's a pameela7?

15 A I found none for that, also.

16 Q Okay.

17 Now, we were talking -- and on that, let me just go  
18 back to that 1103 for one moment.

19 Did you have the name Nadia on any of those Live  
20 contacts.

21 We could put it back up if you need to look at it.

22 A I think the yes, there was a nadia54, I believe.

23 Q 54Nadia, is that what you were referring to?

24 A 54nadia, yes, that's correct.

25 Q Did you ever see any concerns between 54nadia?

*I. Appleton - Direct/Ms. Cohen*

849

1 A I did not, no.

2 Q What about the name Fozia, did you ever see that on the  
3 contact list?

4 A I believe I did.

5 Q Fozia, F-o-z-i-a?

6 A Yes.

7 Q Why don't we walk it up and you could look if you ever  
8 saw the name Fozia in the contact list.

9 (Approaching)

10 (Handing to the witness.)

11 A Thank you.

12 (A brief pause in the proceedings was held.)

13 A No, there doesn't appear to be.

14 Q And what about Gulnaz, was there a contact for Gulnaz?

15 A No.

16 Q And besides the name Huma and humaonion, do you see a  
17 contact with someone name Huma?

18 A No, I don't.

19 Q We talked about use of the Internet on the defendant's  
20 home computer.

21 Did you ever see on certain days where the defendant  
22 was logged on to it his home computer and also went to the  
23 Internet café on the same day?

24 A I did, yes.

25 Q And you also indicated that besides the pen drive or

*I. Appleton - Direct/Ms. Cohen*

850

1 thumb drive for Tariq Rehman, you also analyzed the pen or  
2 thumb drive for the defendant?

3 A I did.

4 Q And did you ever see that thumb drive used on his home  
5 computer?

6 A I did.

7 Q Did you ever see it used at the Internet café?

8 A I did, yes.

9 Q And what about Tariq Rehman's thumb drive, did you ever  
10 see that used or inserted into the Internet café?

11 A I did.

12 Q And in your search, did you ever find any records or  
13 anything of course work, for example, a student would have?

14 A I didn't, no.

15 Q And did you ever on see any course syllabus?

16 A No.

17 Q Any class lists?

18 A No.

19 Q What about any papers written that you would do for  
20 school?

21 A No.

22 MS. COHEN: One moment.

23 (A brief pause in the proceedings was held.)

24 Q All right.

25 Now, you do searches for Internet searches for the

*I. Appleton - Direct/Ms. Cohen*

851

1 word -- for marriage licenses. Did you ever find anything  
2 like that?

3 A I didn't, no. Didn't find anything.

4 Q Do you know that there were searches done in March for  
5 marriage licenses?

6 A I didn't.

7 Q Do you know?

8 A I do, yes.

9 Q But you didn't find anything?

10 A I didn't find anything, no.

11 Q All right.

12 Now, I want to go back to November 23rd of 2008. We  
13 had talked about on November 14th we had talked about the  
14 log-ins to humaonion and when that was created which indicate  
15 the defendant was in Pakistan?

16 A Yes.

17 Q And we just talked about that nabeelalahore sending an  
18 e-mail out and that was November 16th.

19 Looking at, from your examination -- all right.

20 Can you tell, from looking after November 16th,  
21 there's a November 23rd and it says, "SGM-342, Kingston Pen  
22 Drive."

23 A That's Mr. Naseer's pen drive.

24 Q And it says, "Connected to," and it says "GH-1."

25 A That's correct.

*I. Appleton - Direct/Ms. Cohen*

852

1 Q And it says, "Manchester."

2 A Yes.

3 Q Is that the Abercarn Close?

4 A It is.

5 Q What can you tell from between November 16th and  
6 November 23rd?

7 A There's a significant gap, approximately.

8 Q But in terms of location?

9 A Location. The jumps were from Pakistan to Manchester.

10 Q It appears to indicate the defendant is using his pen  
11 drive now in Manchester?

12 A That's correct, yes.

13 Q And, under that, so that was at 2010, 8:10 p.m.?

14 A That's correct.

15 Q It looks four minutes later, we see six entries later, we  
16 see something called "laughterchallenge."

17 A That's correct.

18 Q Was that something you were able to recover?

19 A No, it wasn't. It was just a link file that tells me the  
20 file has been altered.

21 Q Can you tell from looking at it what type of file it was?

22 A Yes.

23 Q What type of file was?

24 A They are video files, with the exception of the first  
25 one, which was a folder.

*I. Appleton - Direct/Ms. Cohen*

853

1 Q All right.

2 Now, did you ever see that folder that something  
3 name laughterchallenge again on any of the media?

4 A I did, yes.

5 Q I'm going to go down to March 30th of 2009, here it  
6 indicates at 1657, 4:57 p.m., that that same pen drive that we  
7 just looked at the defendant's pen drive was first connected.  
8 And I also see that it says cyber café. So what does that  
9 indicate to you?

10 A That indicates that the pen drive is plugged in to ICW-10  
11 which is one of the cyber café computers.

12 Q And then, the next entry you see, so that was either 4:57  
13 p.m. was that 5:06 p.m.?

14 A That's correct.

15 Q And what you're looking at before we -- the prior entry  
16 looked like it was the pen drive was inserted but now the file  
17 is referencing the pen drive?

18 A It is.

19 Q What does that mean?

20 A The file, laughterchallenge.anr, was created on SGM-342  
21 but has since been treated since that date.

22 Q Were you able to recover the laughterchallenge in this  
23 case?

24 A I was, yes.

25 Q And if I click here, can I play that?

*I. Appleton - Direct/Ms. Cohen*

854

1 A If your computer allows it, yes.

2 Q Let's cross our fingers.

3 (Audio file played in open court.)

4 (Audio file concludes.)

5 THE COURT: All right.

6 Q Could you tell whether this was an audio for a video?

7 THE COURT: You've got to be kidding.

8 THE WITNESS: It was audio.

9 Q I guess the question is, I mean, according to the  
10 metadata, was it once a video or was it?

11 A It was audio.

12 MS. COHEN: I know that was self-explanatory, your  
13 Honor, sorry about the question.

14 Q It was an audio, okay. And does it go on for some time?

15 A It does. Roughly four minutes, I believe.

16 Q And it plays about the same sway?

17 A Same way, that's correct, yes.

18 Q All right.

19 Now, going back to for one minute back to that  
20 November 23rd day when the laughterchallenge you first saw it  
21 opened on that GH-1 computer, the Abercarn Close?

22 A Yes.

23 Q And you said that it indicated that the defendant put his  
24 pen drive in that?

25 A That's correct.

*I. Appleton - Direct/Ms. Cohen*

855

1 Q And then, going back to December down to December 15th, I  
2 see GH-1 again where humaonion logged into that same computer?

3 A That's correct, yes.

4 Q And actually, above there, I see that you put in the  
5 log-in from the Yahoo records as well?

6 A That's correct.

7 Q So that's the same log-in that you saw?

8 A It is, yes.

9 Q On each one?

10 A Yes.

11 Q And you had Manchester for both of those.

12 So is that with respect to the Yahoo one, Manchester  
13 is that from the IP address?

14 A It's from the address of the one that Yahoo supplied.

15 Q The one on the first line with GX-519 you indicated  
16 Manchester?

17 A That's correct.

18 Q You were looking for nabeelalahore.

19 And in the following one, you indicate Manchester  
20 because that's where you knew the computer was located?

21 A It's, well, GH-1 was through Abercarn.

22 Q And on December 15th we see humaonion then logging in  
23 later at the cyber café; is that right?

24 A That's correct, yes.

25 Q And then back at GH-1 on -- at 2156, at 9:56 p.m., what

*I. Appleton - Direct/Ms. Cohen*

856

1 did you see then on GH-1?

2 A That web address was visited at 2156 hours.

3 Q That a YouTube address?

4 A It is, yes.

5 Q It says, "Watch," what does that indicate?

6 A Watch, question mark, indicates that the video was  
7 being -- has been watched.

8 Q Can you tell what video had been watched?

9 A Yes, the web page which titled YouTube "9/11 Faces of the  
10 Death Part One."

11 Q And were you able to recover that website?

12 A I wasn't, no, it has been deleted, I believe, by Yahoo.

13 Q Okay. Now, I want to turn your attention on --

14 A Not Yahoo, YouTube.

15 Q I'm going into another topic, your Honor, so I didn't  
16 know if you want?

17 THE COURT: Not today. We will break for the day  
18 and wish you a pleasant and restful weekend.

19 We'll resume at 9:30 on Monday morning. Please,  
20 again, be vigilant about any press accounts and don't discuss  
21 the case.

22 Have a pleasant weekend and be safe.

23 COURTROOM DEPUTY: All rise.

24 (Jury exits courtroom at 2:00 p.m.)

25 THE COURT: Okay. Anything before we wrap it up for

*I. Appleton - Direct/Ms. Cohen*

857

1 the week?

2 MR. NEUMAN: Judge, can we just go over the schedule  
3 next week when the Government might expect.

4 THE COURT: Good idea. Thank you for approaching  
5 that where do we stand now.

6 MS. AHMAD: Your Honor, I think we are still on the  
7 same schedule that we discussed yesterday.

8 THE COURT: Okay.

9 MS. AHMAD: And so, on Monday, we'll begin with  
10 after we finish with this witness, of course, we'll call  
11 additional Greater Manchester police witnesses, one of them is  
12 Michael Selby whose testimony the defendant had requested who  
13 will talk about his exploitation of the defendant's phone.

14 We also intend to call Cat Greer, another GMP  
15 officer, as well as Robert Dyson and Doreen Waterton who also  
16 recovered forensic evidence in connection with this case.

17 After those witnesses have testified, we'll call the  
18 surveillance officers in this case which includes the MI5  
19 officers. We've previously discussed as well two GMP  
20 surveillance officers. We think that will take us to the  
21 close of Tuesday.

22 THE COURT: Close of Tuesday?

23 MS. AHMAD: Yes.

24 THE COURT: You think there's a chance of resting on  
25 Tuesday afternoon?

*I. Appleton - Direct/Ms. Cohen*

858

1 MS. AHMAD: No, your Honor. We have additional  
2 witnesses planned for Wednesday.

3 THE COURT: So resting on Wednesday is a likely  
4 development.

5 MS. AHMAD: Wednesday or Thursday morning. I mean,  
6 certainly, I can't see us resting later than Thursday. But as  
7 between Wednesday and Thursday, I'll know better once Monday  
8 is over.

9 THE COURT: I understand. That should give you a  
10 pretty good idea.

11 MR. NEUMAN: Judge, can I ask a couple of mechanical  
12 questions concern Naseer's testimony. We do it later if you'd  
13 like.

14 THE COURT: Go ahead.

15 MR. NEUMAN: We've already discussed that I would be  
16 the one doing the questioning. I'm wondering if there is an  
17 objection and that requires a side bar, would Mr. Naseer be  
18 permitted to be present at the side bar?

19 THE COURT: Yes, of course.

20 MR. NEUMAN: Okay. At the conclusion of -- I'm  
21 going to go over, obviously, the direct examination in advance  
22 of Mr. Naseer, but I think he probably would like to have an  
23 opportunity to discuss with me the what redirect might be  
24 necessary after the cross.

25 THE COURT: You'll get a break.

*I. Appleton - Direct/Ms. Cohen*

859

1 MR. NEUMAN: Thank you.

2 THE COURT: Just so we're clear for the record,  
3 Mr. Naseer, this is an arrangement that the Court has agreed  
4 to as a convenience to you to allow counsel, as your advisor,  
5 to ask you the questions that you want asked so that you can  
6 driver your testimony.

7 MR. NASEER: I appreciate that.

8 THE COURT: All right. I want to make sure we were  
9 all on the same page.

10 Okay, folks, have a nice weekend. I'll be around.  
11 Well, I'll be on bench this afternoon. If you need me for  
12 some reason let me know. Call Ms. Mulqueen.

13 Step down, sir. Relax. See you Monday.

14 THE WITNESS: Thank you, your Honor.

15 (Witness leaves the witness stand.)

16 (Defendant exits from courtroom at 2:04 p.m.)

17 (WHEREUPON, this matter was adjourned to February  
18 23, 2015 at 9:30 a.m.)
